This institution is an equal opportunity provider

The Hanford Elementary School District participates in the National School Lunch and Breakfast Programs.

We are continuing to utilize the Community Eligibility Provision for the 2024-2025 School Year. Our HESD students receive Breakfast and Lunch free of charge. A variety of fresh fruits and vegetables are available at all school sites, and students can select healthful and nutritionally balanced foods to eat through "Offer vs Serve".

During both breakfast and lunch students are required to take a minimum number of items which include a ½ cup of fruit or vegetables or combination of both with each meal. Low fat white and fat free chocolate milk are available with each meal but may be purchased "a la carte" for \$0.40 during lunch only.

If your student would like to purchase a milk, we request that you pre-pay. For faster service, simply visit: www.ezschoollpay.com

If you have questions or need assistance with your students account, please contact us at 559-585-3666.

We hope you take advantage of this opportunity as we look forward to serving your student
