2024-2025

Date: September 2024

RE: Every Student Succeeds Act (Public Law 114-95), Section 1112(e)(1)(A)

Dear Parent/Guardian,

Delta Charter School Board of Directors are very proud of our teachers and feel they are ready for the 2024-2025 school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal rules related to teacher qualifications as defined in ESSA (Every Student Succeeds Act). These rules allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the student's teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the student's teacher is teaching under emergency or other provisional status through which state qualifications or licensing criteria have been waived;
- Whether the student's teacher is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment included making sure all of our teachers are highly skilled.

If you have any questions about the qualifications of your child's teacher, please contact the appropriate principal at 318-757-3202. You will need to contact Mrs. Nicholson for teachers in grades K-5, Mrs. Dawkins for teachers in grades 6 -12 and Mrs. Hargis for special education teachers.

Thank you,

Monica Miller
Director
