ASHLAND AVE.**

In conjunction with the Lorain Police Department and the Lorain City Schools, Safety Town will be open for all children living in the City of Lorain entering kindergarten or 1st grade in the fall 2025.

Our Safety Town program is a one-week course that is designed to teach your child safe practices both at school and at home. The children are instructed on when, where, and how to cross the street, school bus safety, seat belt safety, fire safety, poison control and how to handle strangers.

NO FEE

Safety Town is conducted **Monday - Thursday from 9:00 AM to 11:30 AM and 12:30 PM to 3:00 PM**. Safety Town sessions are scheduled for the weeks of **June 16th, June 23, July 7th, and July 14th**. Additional information will be provided closer to the session start date. Session dates will be on a first come, first serve basis.

The classes are filled on a first come first serve basis beginning with the Lorain City Schools registration.

You will be contacted by e-mail or telephone by our staff prior to the start of Safety Town as to the date your child is to attend. Please check your e-mail. On your registration form, please select what week that you would prefer your child to attend. Please also select a second choice so that if your first choice is filled we can place your child in the second next available opening. Staff will only contact those parents who submit a registration form with a valid and working telephone number or valid email address. If you do not have a telephone number, we will need a telephone number of a person who we can make contact with so that this information can be given to you.
