TEAM SIDELINE

Volunteers play a key role by refereeing, coaching, and setting up events while overseeing specific sports. This year, Greenheck Turner Community Center has collaborated with basketball, soccer, baseball, softball, lacrosse, tennis, cross country, football, and volleyball. Did you know that we return thousands of dollars through our partnership programs to numerous high school booster clubs and youth sports organizations? This commitment is essential for both parties, as it offers coaching and organizational support for youth programs. Youth groups can assist in the concession stand and earn a share of the profits by contributing volunteer hours. These partnerships not only provide volunteer opportunities for high school students but also offer coaching experience, mentorship for younger athletes, and valuable teachable moments.

Our **FAMILY PROGRAMMING** events are a key part of our organization. Each event is open to anyone in the area, with no residency restriction, and families are encouraged to participate together. Programs are planned with themes, and staffed with creative leaders that care about your experience and want to have fun. From **Tyke Time** to **Ice Skating** themed skates, **Bounce House Nights** and **Storytime Crafts,** your kids will have fun. Most programs require advanced registration because we are providing supplies and set-up per participant. Event series will run all summer and include **Mess Makers** and **Cooking with Sparklez**. If you've been to a program before, please join us again. Bring a friend or neighbor and let your creativity flow. Check the website often and follow us on Facebook as we post pop-up events too. These programs make a great one-on-one for parents and children or quality time for grandparents. Learn more here: https://gtcc.dce.k12.wi.us/quick-links/community-programs
