Our students and staff work very hard to do well on these state tests. Any positive motivation you can give your young people will only help the process.

A big congratulations goes out to Mr. Scott Elwer and his Officer Team who put on their annual FFA Banquet on Sunday afternoon for nearly 300 people. Students were recognized for their hard work representing the Jefferson FFA Chapter through contests, State and American Degrees and array of other activities. This program is mainstay of excellence in the Delphos City Schools under Mr. Elwer's leadership. Chapter President Jamie Kill retired her gavel after two years and will be replaced by Sheldon Fetter for the 2025-2026 school year.

The Spring Musical under the direction of Mrs. Meg Ryan will take place on April 25-27 at the Jefferson MS Auditorium. This year the students will perform "The Adams Family," for your entertainment. Tickets can be purchased in the Jefferson HS Office the week prior to the show or at the box office on the days of the show. Miss Ashley Shroyer will direct the Pit Band for the musical and her students will also have their Spring Music Concert on May 7th. Choir Director Tammy Wirth is leading the students as they prepare vocally, and her Show Choir will be performing on May 9th.

Congratulations to DJHS Student Isaac Bice who received a Superior rating at the Fine Art Festival and will move on to the National Level. Isaac's art was auctioned, and he donated the \$170 to Special Touch Ministry Summer Get Away. Also, well done to the Jefferson MS Students of the Month: Kayleigh Rode and Elizabeth Edwards (5th grade), Kener McNeal and Daisy Raines (6th grade), Madison Belanger and AJ Klaus (7th grade), and Samantha Stanton and Callen Kelty (8th grade). The Delphos Jefferson PK received their Gold Rating banner from Step Up to Quality which is the highest rating given. Stephanie Braun and her staff deserve much credit for and outstanding program.

As always, if you have questions or concerns, please feel free to call or email.
