A note from the principal:

Dear Bulldog Family,
It is hard to believe that it is spring, and the first week of April. April is a critical month for us at MMS, as this month we will be taking our STAAR assessments. I really cannot wait to see how our students shine on these. I know that they are going to do awesome. Wednesday of this week is Paraprofessional Appreciation Day, and we at MMS are blessed with the best group of paras I have ever been around. You might have your student say a special thank you to their favorite para, or to all of them. They are a deserving group.

Warmest regards,

David Coker
