April 2025 |

Principal's Message

As we welcome the month of April, we have a number of important events and activities scheduled. Please take note of the following key dates:

Spring Break: School will be closed for Spring Break on Thursday, April 17th, Friday, April 18th, and Monday, April 21st. We encourage you to enjoy this time with your families.

Pennsylvania System of School Assessment (PSSA) Testing: The end of April marks the commencement of the annual PSSA assessments. It is crucial that all students in grades 5, 6, 7, and 8 are present and on time each day. The testing schedule is as follows:

English Language Arts (ELA): Wednesday, April 23rd, Thursday, April 24th, and Friday, April 25th

Mathematics: Monday, April 28th and Tuesday, April 29th—all grades.

Science (Grades 5 & 8 Only): Wednesday, April 30th and Thursday, May 1st

We kindly request your support in ensuring your child gets sufficient rest the night before each testing day and arrives at school prepared to focus and do their best. Our expectation is that students put forth their best effort during these assessments.
