THIS AGREEMENT entered into this 14th day of June, 2023 by and between the Board of Education (the “Board” or the “Employer”), of the Clintondale Community School District (the “District”), Macomb County, Michigan, and the International Union of the American Federation of State, County and Municipal Employees, Council No. 25, AFL-CIO, and Local No. 1630, the affiliated local Union, (the “Union” or the “Employees”) and expires on June 30, 2027.

WHEREAS:

1. The Michigan Public Employment Relations Act, MCL 423.201 et seq. authorizes collective bargaining between public employers and public employees as to wages, hours, and other terms and conditions of employment; and,
2. The parties, following extended and deliberate collective bargaining, have reached understandings which they desire to incorporate into a formal Agreement;

NOW THEREFORE, in consideration of the following mutual covenants, the parties agree as follows:

ARTICLE 1 PURPOSE AND INTENT

- A. It is the general purpose of this Agreement to promote the mutual interests of the District, its students, and its Employees, and to provide for the operation of the District under methods which will further, to the fullest extent possible, the safety of the students and the Employees; the cleanliness and efficiency of the schools and equipment; and the protection of property. The parties to this Agreement will cooperate fully to secure the advancement and achievement of these purposes.
- B. Also, the general purpose of this Agreement is to set forth the terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Board, Employees, and the Union.
- C. The parties recognize that the interests of the community and the job security of the Employees depend upon the Board’s and the Employees’ success in establishing a proper service to the community.
- D. The District will post the current Agreement on the current website.

- B. To establish hiring procedures and qualifications.
- C. To establish courses of instruction and in-service training programs for employees and required attendance at any workshop, conferences, and special programs by employees. - E. To determine the means and methods of maintenance, the selection of materials, equipment, and supplies and their use.
- F. The Board and/or its representative may adopt rules and regulations not in conflict with this Agreement.
- G. The Board has all the customary and usual rights, powers, functions, and authority of management except those rights, powers, functions, and authority that are specifically modified by this Agreement. This provision shall not preclude nor prohibit the Union from using the Grievance Procedure, provided that the Board is not precluded from raising Article 3 as a defense to a grievance or arbitration. Further, this clause is subject

ARTICLE 9 GRIEVANCE PROCEDURE

A. **DEFINITION** - A grievance shall mean a complaint by an Employee or group of Employees based on an alleged violation, misinterpretation, or misapplication of any provision of this Agreement.

B. **PROCEDURE** - Grievances shall be presented and adjusted according to the following procedure:

STEP 1

If the matter is not resolved informally, a written grievance may be filed by the Union and/or the Employee to the Employee's immediate supervisor within ten (10) work days following the occurrence, which is the basis of the grievance.

Within ten (10) work days after receipt of the written grievance, the Employee's immediate supervisor shall communicate his/her decision, in writing, together with the supporting reasons, to the aggrieved party and to the Union president or designee.

STEP 2

Within five (5) work days after receiving a reply, if the Employee or the Union still feels aggrieved, he/she may appeal to the Superintendent or designee. The appeal must be in writing. A meeting between the Union or the Employee and the Superintendent or designee will be arranged to discuss the grievance within ten (10) calendar days from the date the grievance is received by the Superintendent or designee.

Within five (5) work days after the date of the meeting at which the grievance was discussed, the Superintendent or designee shall communicate his/her decision, in writing, together with the supporting reasons, to the aggrieved party and to the Union.

STEP 3

Within five (5) work days after receiving a reply, if the Employee or the Union still feels aggrieved, the Employee or the Union may appeal in writing to the Board Grievance Committee. A meeting between representatives of the Union and the Board Grievance Committee will be arranged to discuss the grievance within seven (7) calendar days from the date the grievance is received by the Board Grievance Committee.

Within five (5) work days from the date of the meeting at which the grievance was discussed, the Board Grievance Committee shall communicate its decision, in writing, together with the supporting reasons, to the Employee and the Union.

STEP 4

If the Board Grievance Committee and the Union are unable to resolve any grievance, the grievance may be submitted to arbitration within thirty (30) calendar days after the decision of the Board Grievance Committee. The grievance shall be considered submitted to arbitration when written notice is submitted to the Board by the Union informing the Board of the Union's intent to arbitrate the grievance. If the AFSCME Council 25 internal appeals procedure is invoked, the Board shall grant an extension of the time limits to cover such appeal procedure.

AFSCME Council 25 Arbitration Department shall send a list of arbitrators to the Board to see if the parties can mutually accept an Arbitrator.

If the parties are unable to agree, the grievance will be filed with the American Arbitration Association. In either case, the parties will be bound by the rules and procedures of the American Arbitration Association.

If written notice of the intent to arbitrate is not submitted to the Board Grievance Committee within thirty (30) calendar days after the decision of the Board Grievance Committee, the grievance shall be abandoned, except in any emergency which is beyond the control of the Union.

1. The Arbitrator so selected will confer with the parties and hold hearings promptly and will issue his/her decision not later than twenty (20) days from the date of close of the hearing.
2. The Arbitrator's decision shall be in writing and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted.
3. The Arbitrator shall be limited to deciding whether an alleged violation, misinterpretation, or misapplication of a specific article or section of this Agreement has occurred, and he/she shall be subject to, in all cases, the rights, responsibilities, and authority of the parties under the Michigan General School Laws, the Constitutions of the United States and the State of Michigan, and all other applicable state and federal laws.
4. The Arbitrator shall not usurp the function of the Board or the proper exercise of its judgment and discretion under the Law and this Agreement.
5. If the arbitrability of any grievance is disputed, the Arbitrator shall have no jurisdiction to render a decision on the merits until he/she has first made a ruling on the arbitrability issue. By stipulation of the parties of the grievance, the Arbitrator may concurrently hear both the jurisdictional issues and the merits of that dispute in the same proceeding. If the Arbitrator determines that he/she is without jurisdiction to rule, the matter shall be dismissed without decision on the merits.
6. Notwithstanding any other provision in this Agreement, the Board shall have no obligation to arbitrate any grievance after the expiration of this Agreement. The Board, however, shall arbitrate grievances arising during the term of this Agreement for which a timely grievance was filed before the Agreement's expiration.

7. The decision of the Arbitrator, if within the scope of his/her authority as above set forth, shall be final and binding.
 8. The cost of arbitration shall be shared equally between the Board and the Union. Each party shall be responsible for compensating its own representatives and witnesses.
- C. INVESTIGATION OF GRIEVANCES - The President shall be allowed up to three (3) hours per work day, when required, without loss of time or pay, and the stewards shall be released upon approval of his/her immediate supervisor, which approval will not be unreasonably withheld, to perform the following:

3. As used in this Article, the term "work days" means any day that the District is open for business.
4. It shall be the general practice of all parties in interest to process grievances during times, which do not interfere with assigned duties whenever possible.
5. In the course of investigation of any grievance, representatives of the Union will report to the immediate supervisor of the building being visited and state the purpose of the visit immediately upon arrival.
6. It shall be the continued practice of the Board to assure to every Employee an opportunity to have the unobstructed use of this grievance procedure without fear of reprisal or without prejudice in any manner to his/her professional status.
7. The Union, recognizing the importance of the Employee's occupation, expects bargaining unit Employees to conduct themselves in all aspects of his/her employment in an ethical and proper manner, and will, upon receipt of notice from the Board or its representatives of any Employee who has abused any privilege granted in this Agreement, exert all reasonable efforts to rectify any abuse.
8. A grievance may be withdrawn at any level of the grievance procedure without prejudice.

ARTICLE 10 COMPUTATION OF BACK WAGES

No claim for back wages shall exceed the amount of wages the Employee would otherwise have earned at his/her regular rate.

A written

disposition of the conference shall be issued within three (3)* work days from the date of the conference. If the discharge or suspension is not resolved by the conference, the Union may appeal to the second step of the Grievance Procedure within three (3)* work days from the date of the written disposition.

*except in extenuating circumstances

If the discharge or suspension is reversed under the Grievance Procedure, the Employee may receive full compensation for all time lost and full restoration of all other rights and conditions of employment.

- C. Any disciplinary action on any subject matter which could be construed as detrimental to an Employee's future promotion, transfer, present or future employment, shall be given to the affected Employee at a conference with his/her immediate supervisor and/or his/her Union representative. A copy of the reprimand or other disciplinary document will be given to the Union President. The Employee may at his/her option be accompanied by a Union representative. If an Employee is not at work, the written reprimand or other disciplinary documents shall be mailed to his/her last known address. - D. Except for records of substantiated unprofessional conduct, a written reprimand and/or letter of counseling shall not be used against the Employee after three (3) years from the date of such written reprimand or letter of counseling, unless that documentation specifically led to an Employee's suspension as part of a progressive discipline procedure. For purposes of this Article, the term "unprofessional conduct" shall be as defined by the Michigan Court of Appeals in *Mino v Clio School District* (2003). Upon request, an Employee may review his/her personnel file during regular business hours.

 5. There shall be no seniority among probationary Employees.
 6. The Union shall represent probationary Employees for the purposes of collective bargaining as to rates of pay, wages, hours of employment, and other terms and conditions of employment, as set forth in Article 2, except that the Board or its representative will have the right of discharge or disciplinary action involving a probationary Employee without a grievance filed or processed for other than lawful Union activity.
 7. The Employer will notify the Union President and Treasurer when new bargaining unit Employees are hired on a permanent basis and when those Employees have completed the ninety (90) day probationary period, except in emergencies. Substitutes shall not acquire or accrue seniority.
- B. 3. Seniority shall not be affected by the race, sex, marital status, or dependents of the Employee.
4. The seniority list on the date of the Agreement will show the names and job classification of all Employees of the unit entitled to seniority.
5. The Board or its representatives will keep the seniority list up to date at all times and will provide the local Union with an up-to-date copy upon request.
6. Employees within the bargaining unit who have been transferred under Article 13, but who are outside the Group in which the transfer was made, shall be placed at the bottom of the Group Seniority List; however, shall retain District-wide seniority for all other areas of this Agreement.

If the "Preferential Seniority" Employee cannot be placed within his/her level/classification using his/her regular seniority, his/her preferential seniority will place him/her into the lowest seniority position with the comparable hours within his/her level/classification.
 2. If the entire level/classification is vacated then the person with Preferential Seniority will bump first in a position with comparable hours with his/her regular seniority. If the Preferential Seniority Employee cannot be placed within this level/classification using his/her regular seniority, then his/her preferential seniority will place him/her to the lowest seniority position with the comparable hours, providing he/she is qualified for the position.

G. LUNCH BREAK – All Employees working seven (7) hours or more covered by this Agreement shall, except in emergencies, be entitled to a thirty (30) minute duty-free lunch break, not to be included in the Employee's regular work day.

H. CONTINUING EDUCATION – If the Board or its designee authorizes in writing that an Employee covered by this Agreement take, participate in, and/or attend educational conferences, workshops, courses, or classes related to the Employee's job, work, or classification, the Employee shall be reimbursed for books, tuition, conference fees, and certain expenses which have been specifically authorized by the Board or its designee. If the Employee does not successfully complete any conferences, workshops, courses, or classes for which authorization has been given, the Employee shall reimburse the District for the tuition, books, fees, and expenses associated therewith. Any Employee who has received written authorization in accordance with this provision and who has received a passing grade (a "C" or grade point equivalent) in a course or class of not less than one (1) semester's duration shall receive the sum of One Hundred Dollars (\$100) within thirty (30) days from the date written verification of a passing grade received from the appropriate institution. Payment of the above sum shall be made only once for each course or class taken pursuant to this provision. This provision shall not apply to the experimental maintenance apprenticeship program or to maintenance Employees, unless otherwise authorized by the Superintendent or designee, and shall not be implemented during the term of the Agreement.

ARTICLE 32 SUBCONTRACTING

Any work presently assigned to the bargaining unit, which is normally performed by unit Employees/members, shall not be sub-contracted out to other firms, business entities, and governmental units except those projects, which because of size, uniqueness, time limitations, or complexities, reasonably require sub-contracting. The Employer may also sub-contract work out in emergencies or short duration. Sub-contracting shall be permitted to preserve or obtain warranties relating to fixtures, equipment, or other capital improvements to be installed. Sub-contracting must not be intended to deprive unit Employees the right to perform work normally performed by unit Employees/members during regular work hours provided the Employer may permit the work to be done on overtime.

The Employer shall inform the Union of his/her intent to sub-contract. Such notification shall not be construed as an acknowledgment or admission that the proposed work is work normally performed by unit Employees/members or requires Union consent or approval before the sub-contracting. This provision is intended to encourage the parties to work together to promote efficiency and cost effectiveness as it relates to this sub-contracting issue and the operation of the District.
