April 1, 2025 - Board Meeting Agenda Questions & Responses

## **6.2 Minutes**

Item 7.3 – I remember saying “They are adults who sign a contract just like any other contract and need to be held to the agreement.” Which I would like added to the minutes.

Verbiage has been added to the minutes to reflect the comments made in the board meeting.

## **6.5 Vouchers Please pull voucher 1108**

Voucher 1108 has been moved to an action item.

## **6.6 SHRM Annual Conference – Please pull**

The SHRM Travel request has been moved to an action item.

## **6.12 Epson LCD Projectors for classrooms at Williams Field HS and Higley HS to CDW-G**

What is the warranty coverage for these projectors, and does it include on-site support or replacement?

Warranty is 5 years and it does not include on-site support IT ships the device for replacement or warranty fix.

Is the quoted price (\$1,745 per unit) competitive compared to other vendors or models with similar features? Did we get other quotes?

These projectors were quoted off a competitive corporate contract.

Do all 124 classroom teachers actually use the projectors and have teachers and staff indicated that the current projectors are insufficient for their needs, or is this replacement based on equipment age alone?

The old Hitachi projectors are no longer manufactured or supported. The old projectors required expensive replacement bulbs, these new projectors do not. These new projectors mount onto the existing mount and can install them in-house which will eliminate the cost of installation. All classrooms have some display device as standard.
