CITY OF HILLSBORO / HSD JOINT WORK SESSION

SITUATION

One of the Board's identified priorities is to engage with the cities that make up the Hillsboro School District. The next community scheduled for a joint session is the City of Hillsboro, set to take place on April 1, 2025, at the Hillsboro Civic Center. Both the City of Hillsboro and Hillsboro School District staff will introduce and share highlights related to each of the aligned topics below. Once a topic has been introduced, staff will provide time for council and board discussion and questions before moving to the next agenda item. Attached is the agenda and information sheet to review prior to the meeting. The slides are place holders for topics to guide our time. There are not individual situation pages for each topic because our work session is primarily for joint discussion between council and board. List of aligned topics:

1. Student Partnerships: Champions/YAC/BizTown/Internship
2. Shared Fields/Facilities
3. Safe and Welcoming Community Updates

RECOMMENDATION

The Superintendent recommends that the Board of Directors engage in discussion with the City of Hillsboro's City Council.
