Dear Amazing Parents,

The countdown is on! We're just 1 week away from our Academic Super Bowl - the M-STEP and PSAT - and this is our moment to shine together. Your children have incredible potential, and with your support, they can reach new heights!

Here's how you can be part of this exciting journey: Encourage your scholar Kindergarten thru 8th Grade to spend 40+ minutes each week on Exact Path, mastering both math and reading. When they earn two trophies in each subject, they're not just winning awards - they're building confidence, knowledge, and a foundation for success.

Every Monday, we'll celebrate their achievements with a special reward email. Think of it as a weekly high-five for their dedication and hard work! Our 3rd through 8th grade scholars are capable of amazing things, but they need their biggest supporters - you - cheering them on. Together, we can make these next few weeks count in ways that will impact their entire academic future.

Will you join us in empowering our scholars to reach their full potential? Your encouragement and support make all the difference. Let's show our children what they can achieve when we believe in them!
