

FROM THE PRINCIPAL'S DESK

MRS. ACOSTA

APRIL & MAY 2025

Parents, thank you for all of your support this school year. It is hard to believe that we are almost at the end. This edition of From the Principal's Desk is especially important because there are a lot of important dates coming up.

Please take note of all of the testing dates, Your child's attendance is imperative these last weeks of school. Our teachers are working really hard to prepare your students for STAAR and MAP testing. I know that emergencies and appointments are inevitable but I ask that you please schedule trips and doctor visits for days that are NOT testing days. These tests give our students the opportunity to demonstrate their growth and learning this school year.
