

THE EAGLE'S NEST!

April 2025

A note from the Principal

Smiles for April!

Thank you for all of your hard work in getting students to school by 7:30am daily. Remember volunteering is a major way to stay involved and in the know about the great things happening at Oakland. April 1st is a really BIG night for us at OPS. We expect 100% of our students to bring a family member out to our Title One STEAM Night. Spring break is just around the corner but an even more exciting time is welcoming the end of the year. Take time to reflect and revive your bodies to finish strong. We are definitely stronger and better together. Thank you so much for your continued support and remember we are only a phone call or email away with glows and grows that help support our mission of educating the whole child.
