Dr. Thomas Ficarra
Interim Superintendent of Schools

Peter Frascella
School Business Administrator
& Board Secretary

Dear Parents/Guardians:

The State of New Jersey mandates that sixth graders are required to receive a booster dose of the diphtheria, tetanus and pertussis vaccine, as well as one dose of the meningococcal vaccine.

Students must provide documentation of these immunizations as applicable for their age from their physician. **This is required before entering 6th grade.** Please have your primary care provider complete the form below and return it to your School Nurse.

If you have any questions, please feel free to call us.

Thank you for your cooperation in this matter.

Sincerely,

Cathleen Sullivan
Bragg School Nurse

Anne Pape
BRMS School Nurse
