

MOUNTAIN BIKE TEAM

Typically practice on Tuesday and Thursday evenings with some Saturday mornings during regular season.

2025

Provide your contact info and we will be in touch

ACA Registration

Arizona Cycling Association membership is required to participate for student athletes and volunteer coaches. You can apply for financial assistance via ACA.

A FREE registration to Try It Out is available.

Team Registration

A team fee is required and includes the costs for a Race Kit, Team T-shirt, food for team events, and upkeep of team equipment. Cost TBD.

Races (optional)

Races are optional. You can do some, all, or none.

Last year, the ACA offered a Race Series Package and individual race registration.

Five races starting in Sept. and continue into Nov.

Mountain Bike

A specific brand of mountain bike is not required; however road, gravel, and e-bikes are not permitted. Pivot Cycles is a sponsor of the ACA and gives a discount to registered Riders and Coaches. The ACA also has a limited number of loaner bikes each season. Ask a coach.

Required Supplies

A helmet, hydration pack, bike tools, and bike light are all required. You can purchase these supplies on your own to ensure the price/quality works for you. Our coaches are happy to make recommendations.

Travel Expenses

Depending on the race start time for your Rider(s), you may want to travel the night before or stay the night after. This is not required and is up to each individual family. Many families choose to camp, stay in a hotel, or don't spend the night at all.

Registration Opens April 1, 2025
