

OROVILLE HIGH SCHOOL

April NEWSLETTER 2025

Message From the Principal

OHS Families and Friends,

As we move into April, the season of spring renewal is in full swing—bringing fresh energy and momentum for the final stretch of the school year. With just over nine weeks left until June 5th, each week ahead is filled with important events, milestones, and opportunities for students to finish strong.

Our Juniors have completed their CAASPP testing, and we're proud of their effort and perseverance. AP testing is just around the corner, running from May 5–12. Course requests for next year are also complete—please contact your student's counselor if you have any questions about their selections.

Last Tuesday, we held our mandatory senior meeting, where we reviewed key dates, graduation requirements, and paperwork. It's an exciting time for our seniors, and we're here to support them every step of the way toward graduation.

Spring Break begins April 18th, and once we return, it's the home stretch. With nine jam-packed weeks ahead, we encourage students to stay engaged, take care of themselves, and make the most of this final quarter.

Please take a moment to review the updates in this newsletter—we're updating information regularly and hope it serves as a helpful resource for your family. You are also welcome to contact the school with any questions or concerns: via email at OHSContact@ouhsd.net or by phone at (530) 538-2320.

Let's finish the year strong—together.

Sincerely,
Kristen Wiedenman
OHS Principal

We are excited that the [direct referral form](#) is ready for use! This form allows students and parents to submit a referral to Daybreak directly. Attendance

Attendance Matters

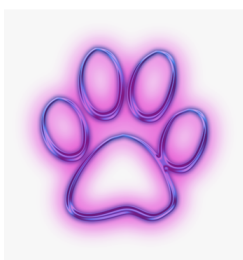

Good attendance benefits your child's education. Please call our attendance staff at extension 3310 or 3311 whenever your child is absent. Please provide the following information:

- Child's Name
- Date of the Absence and the Reason
- You can also email us at mdelatorre@ouhsd.net or smedina@ouhsd.net
- Only persons listed in Aeries can excuse an absence.

It is important for parents/guardian to excuse their students' full day absences. Please contact the attendance office within 72 hours to get them excused. **Individual** period absences need to be cleared between the **student** and their **teacher**.

Attendance Policy

Students not feeling well while at school are to let the teacher know so they can be sent to the attendance office where the nurse can check them or the we will contact the parent/guardian to come pick them up. To avoid texting in class, we will not send passes for sick students.

Work Permits

If you would like to obtain a Work Permit, the following steps will need to be completed:

1. Print out and complete both of the following forms:

- [Work Permit Certificate CDE B1-1](#)
- [OUHSD Work Permit Information](#)

Forms can also be picked up in the Counseling office.

Office Hours 8:00 - 3:00

2. Once forms are completely filled out by student, parents and the employer, they can be brought into the office. After forms have been received, grades and attendance will be checked in Aeries. If you have met the requirements, a work permit will be issued. This work permit will only be valid for the employer that is listed. If you have multiple jobs, you will need one for each job.

Medications

If your student needs to take medication during the school day, a doctor's signed authorization form must be kept on file in the attendance office. Over the counter medications, such as Tylenol or Excedrin, are not allowed on campus, and must be left in the office with doctor permission only. Anyone with unauthorized medications is in violation of the district drug policy and may face disciplinary action. Please take any necessary medications to the Attendance Office and pick up a Medication Authorization form as soon as possible.
