## MEET OUR STAFF: IGLI TUGA

Hi, Turn of River Families!  
My name is Igli Tuga, and I am the Band and Orchestra Director. This is my third year at TOR, and I truly enjoy working with our young musicians. Music has been my lifelong passion both performing and teaching around the world. My goal at TOR is to build strong band and orchestra programs for our students, the school, and the community. Beyond teaching, I have a deep passion for playing my instrument, the clarinet. I love traveling to different countries, exploring various musical styles, and bringing those influences into my teaching. I am grateful to be part of the TOR community and excited to continue working with our students. Looking forward to a fantastic year of music!
