From the Desk of the Superintendent

Investing in the Fourth Quarter

As we enter the final quarter of the school year, our focus is on making strategic investments that will yield great rewards in the years to come. This is a crucial time for students, staff, and our community as we work together to finish the year strong and set the stage for future success.

The fourth quarter is a time for students to solidify their learning, demonstrate their growth, and prepare for the next steps in their academic journey. Our spring assessments provide valuable insights into their progress, and we encourage all students to remain engaged, take advantage of available support, and push toward their goals. We also celebrate our student-athletes and fine arts performers who continue to represent our district with excellence in competitions and showcases.

A strong school community is built on collaboration and engagement. As we approach the end of the year, we encourage families and community members to stay involved through volunteer opportunities, school events, and celebrations of student success. Your support now will lay the groundwork for continued growth and achievement in the years ahead.

We encourage parents to visit our website at www.lakeview.esu7.org to stay connected and updated about upcoming spring events. If you have any questions or concerns, please contact your child's teacher to ensure continued support and success.

Thank you for your commitment to investing in our students and their future. Together, we are building a foundation for lifelong success.

Sincerely,

Jason Cline

FBLA News

April 2025

FBLA Week

Members celebrated FBLA Week in February with a variety of activities and events. Monday: "Our Members Are Sweet!" FBLA members received an icecream treat during Viking Time. Tuesday: All members wore their FBLA shirt to promote and celebrate FBLA. Wednesday: Snow postponed our Cupcake Wars. Thursday: "Don't Sleep On Your Future!" Members and staff enjoyed a pajama day. Friday: Members and staff enjoyed breakfast pizza and celebrated all the accomplishments FBLA has had this year.

Cupcake Wars

Cupcake Wars is a fun activity for Viking Time classes to collaborate, be creative, and compete with each other. This year eight teams had fifteen minutes to decorate their cupcakes with our celebrity judges picking the winner. Congratulations to Mrs. Wiester's Starbucks cupcakes on winning the competition!

Induction Night

Join us to celebrate all of our success in the 2024-2025 school year on May 4th! A light dinner will be served at 6:30 with Induction Night beginning at 7:00. We will induct new officers, celebrate chapter accomplishments, and recognize outstanding members.

Winter Tour

On February 4th, thirty members attended the winter tour in Norfolk. The morning started with members packaging Mercy Meals to help those less fortunate overseas. In one hour, students packed 6480 meals. The impact will be seen all over the world. The afternoon tour brought us to the City of Norfolk Administration building. We received a tour of the different departments and heard from the Parks & Recreation on how they have brought several fun attractions to Norfolk. Members then got to experience those attractions by ice skating at their new outdoor rink.

State Leadership Conference

Twenty-two members and advisers have signed up to attend the 2025 State Leadership Conference in Kearney in April. Members will compete for a chance at nationals, attend workshops, and network with other chapters. Good luck to all competitors!

The Viking Voice

Our Choir Dinner concert was March 8th.

Both concert choir and Viking Voices sang together. Students also performed their solos, duets, and small groups that they will be singing at district music contest. The students made all the food for the event and beef was donated by Eric Stuthman.

“Getting to sing with an amazing group and learning new songs and going to awesome events is just a start.

Being in this class has awakened my passion for music. I never knew how much this class would mean to me until I joined.”

Izaac Cunningham

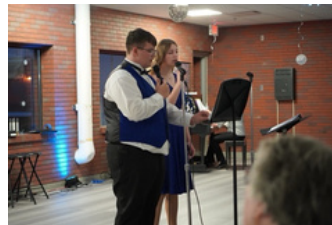

“I Love meeting new poeple at places we travel. It’s fun to sing and hang out with my friends. I also enjoy dancing with the group.” Jordyn Loseke

I love getting to know new things and new people. We get to sing with others who are really good”

Liam Czapla

“There is always something to look forward to everyday and we have fun.” Cris Moreno

“I like choir because singing really calms me down when I'm having a rough day. Choir has helped me become close to people I didn't think I would be friends with.” Lyan Campuzano

“I like going on trips to Branson” Karlie Pelc

“I like being in Viking Voices because I get to meet new people and make new connections. We go on trips. I get lots of opportunities to broaden my musical horizons and share music with the community.” Ali Mueller

“I like putting a smile on people’s face when I sing.” Vivienne Mulder

FEBRUARY BIRTHDAY ASSEMBLY

Platte Center Elementary honored 14 students who have birthdays in February.

FEBRUARY VIKINGWAY AWARD WINNERS

Platte center students work hard to show they know how to follow the viking way. Second grader Chelsea Cash and Fourth grader Knox Paulsen were selected as the winners for the month of december.

Chelsea is always ready to learn and focused on the teacher. She is a silent leader in the classroom and wants to do the right thing. She loves to please others and cares about her school work. She follows directions quickly and always completes her work. She strives for perfection and has a natural love for learning. (not pictured)

Knox shows that they care about their learning path by remembering every night to take home extra class work that they miss every morning while attending a different class. They are responsible without my reminders to put it in their book bag everyday after having it checked to complete at home. This commitment has led to improved grades/attitude and confidence.

INTEGRITY AWARD

Platte Center students have discovered that integrity means doing what is right, even when no one is observing. Our February nominee is first grader Madeline Jaixen. Madeline consistently demonstrates kindness and respect towards her teachers, paraprofessionals, and other adults. She puts in great effort in all her classes and consistently delivers her best work. A true helper at heart, she always looks out for others and can often be seen with a smile on her face.

PIPE PUPPY / TRAVELING PINEAPPLE WINNERS

Johnson served as our guest judge for the dance-off, where we determined the winner who would home the Pipe Puppy and Traveling Pineapple in thier classroom. The fourth grade showcased the best dance moves, earning the honor of hosting the Pipe Puppy and Traveling Pineapple for the month of March.

Christ Lutheran Happenings

March has been a month of many types of weather! We've seen beautiful spring days and a blizzard that took out the power, but through it all we've celebrated and supported one another in our Christian community.

We kicked off March with Read Across America Week. Each day we had guest readers, fun activities and snacks, and we even had the chance to dress up for different themes. Reading is such an important part of our academic success, it's great to take the week to celebrate it!

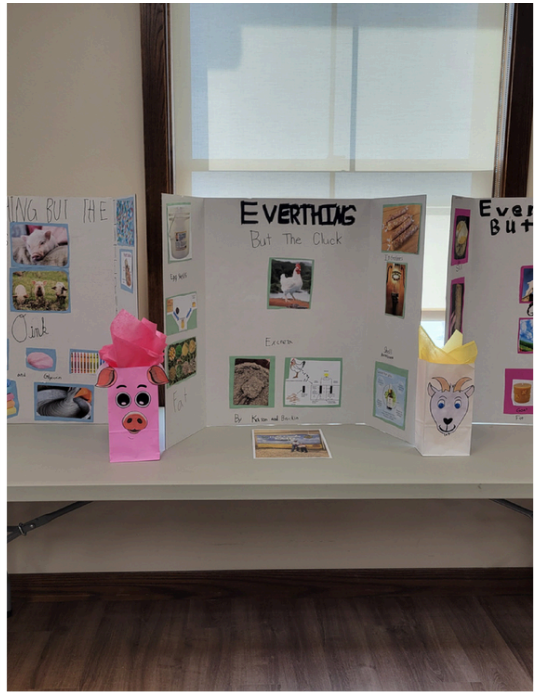

We also celebrated National Ag Week, during which we held our annual National Ag Day luncheon, honoring all of our local agriculture producers and educators. Phil Buhman was our guest speaker, and each classroom created special projects for the event. Our lower grades room even made brownies! We had a great turnout!

We still have spots open for next school year if you are looking for a Christ-centered education. You can find the application on our website at ChristColumbusSchool.org. Scholarships are available!!

"Rooted in Love"

Students worked hard learning music and parts for the production, "Spend Awhile on the Nile". We took a 'cruise' down the Nile River while learning about the Bible heroes who lived in Egypt centuries ago. Performances were held Thursday, March 6th at 1:00 pm and 6:30 pm in our gym at St. John's. The students did a fantastic job! A special thanks to our two 8th graders, Lexa Hegemann and Alaina Rosendahl.

St. John's had a great week off for Spring Break, March 10th to March 14th. They are now ready to finish the last quarter of the year. Several field trips are planned for the remainder of the year. The 4th to 8th grades will visit the State Capitol, Kindergarten and 1st grades will attend the FFA Farm Day at the B. Groteluschen farm and attend a Vehicle Day at the National Guard Armory in Columbus. Lastly our Kindergarten to 5th grades will be going to the Columbus Area Children's Museum and having lunch in the park.

We have one more Fish Fry this month on March 21st at the Creston gym. Thanks to all who were able to attend. The proceeds are distributed to the school, preschool and our daycare. We will have a Soup Luncheon with our Prayer Partners on Sunday, March 30th. We are so thankful for our church Prayer Partners! Our Early Childhood Night will be Monday, March 24th and Kindergarten Round-up is on the 27th.

"I pray that Christ may dwell in your hearts through faith...being rooted and grounded in love." Ephesians 3:17-18
