# Task

Task: Create a Space welcoming to students and teachers. Creating a Flexible space that can be used for large meetings and a study hall

# Treasure Mountain Library?

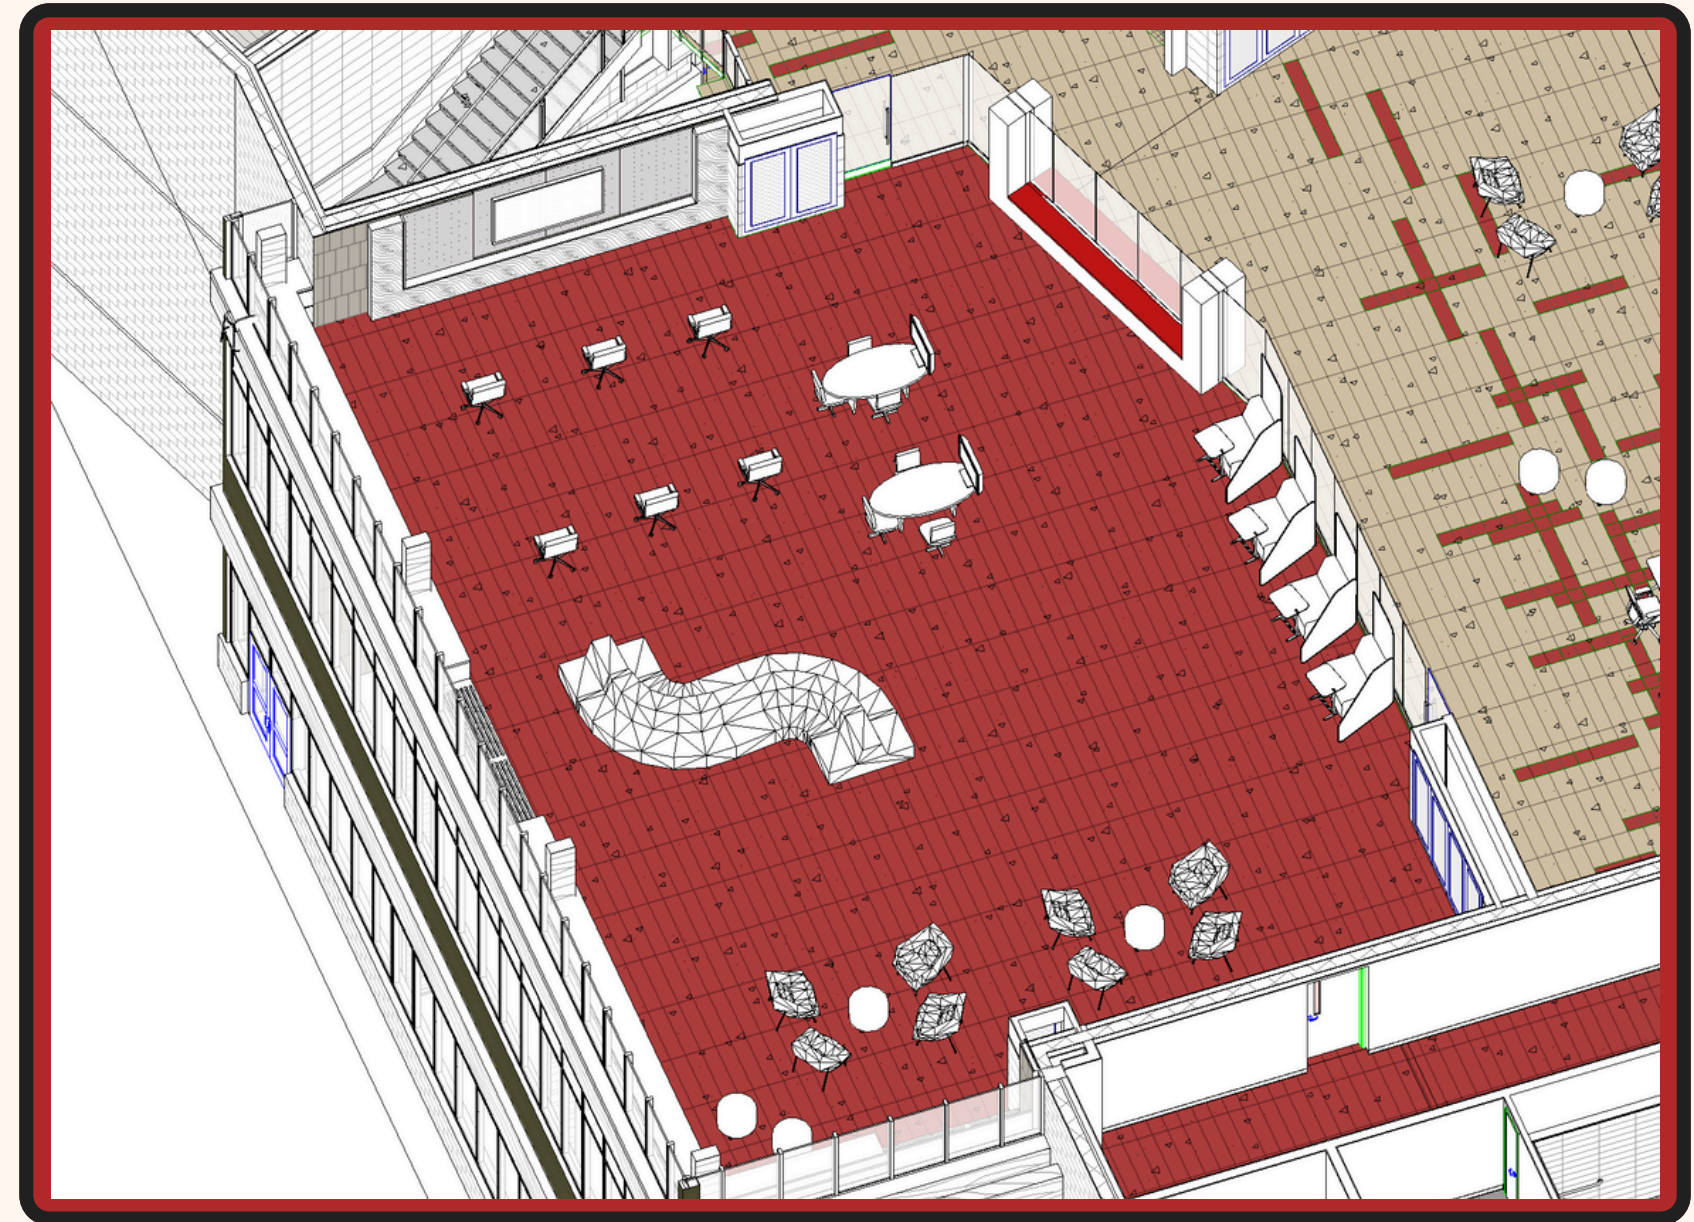

- ① How often are books being used?
- ② Why do kids come in?
- ③ What type of furniture?
- ④ What do Kids use more often?

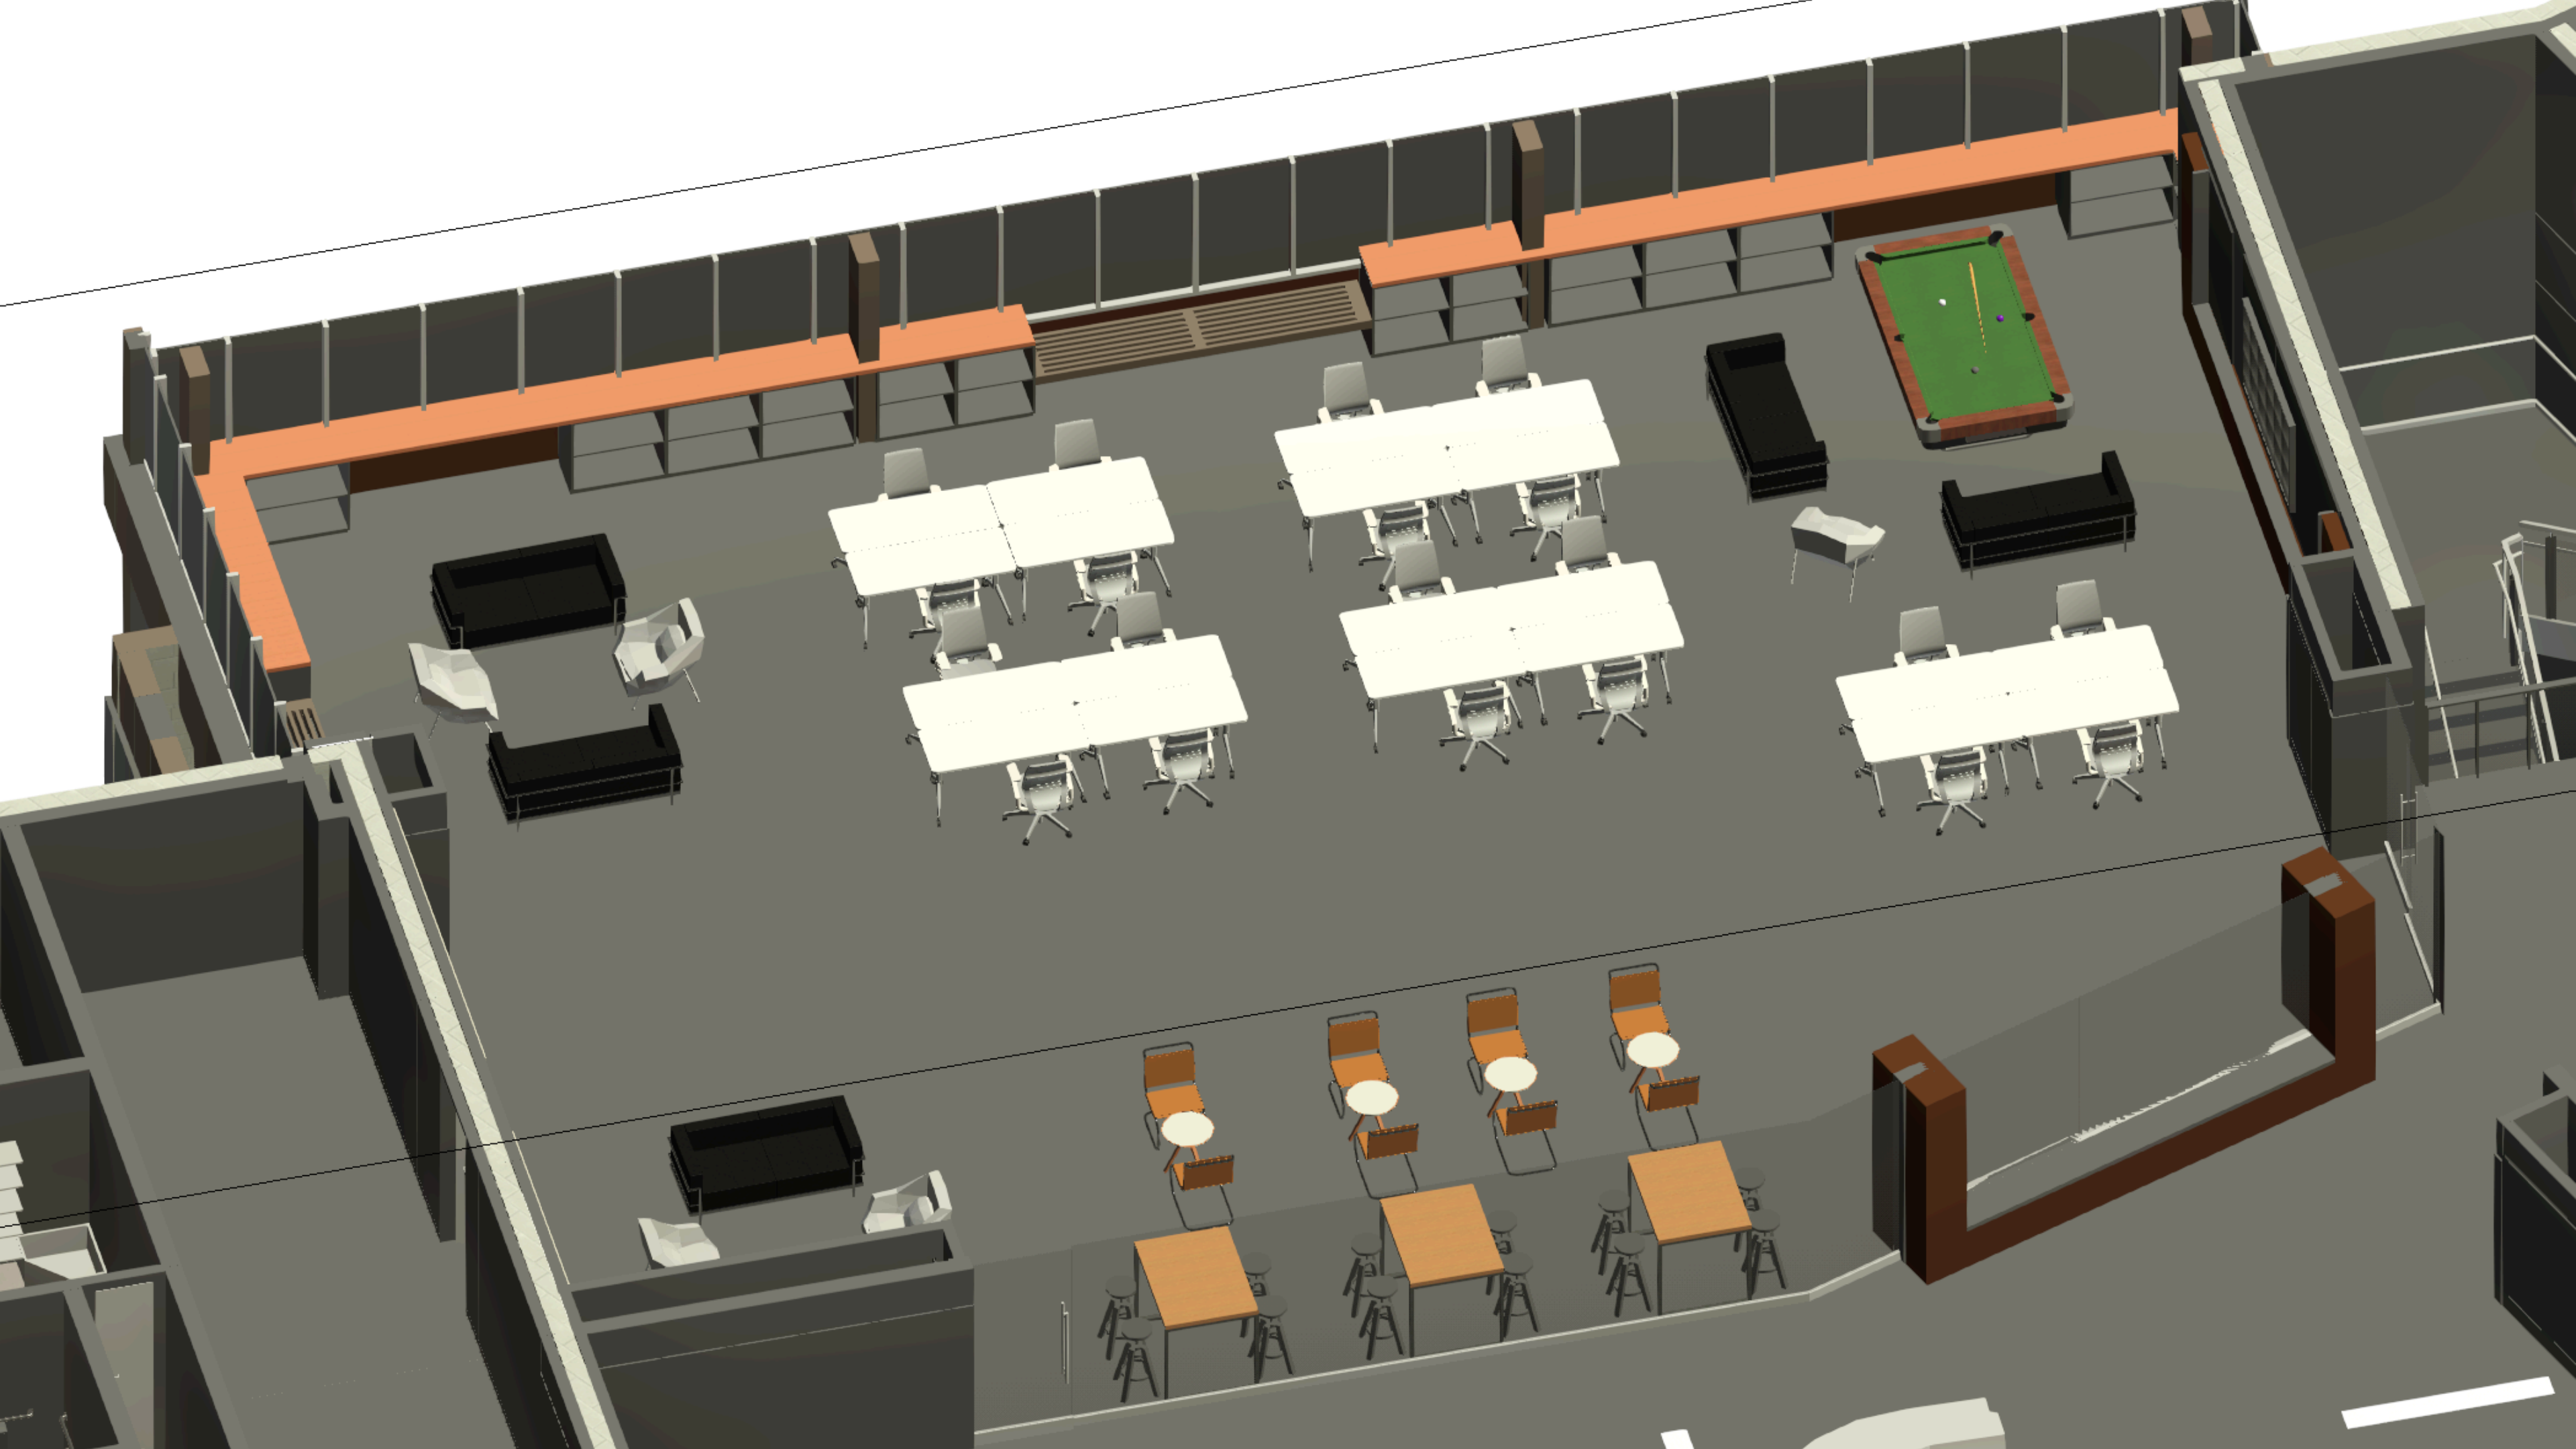

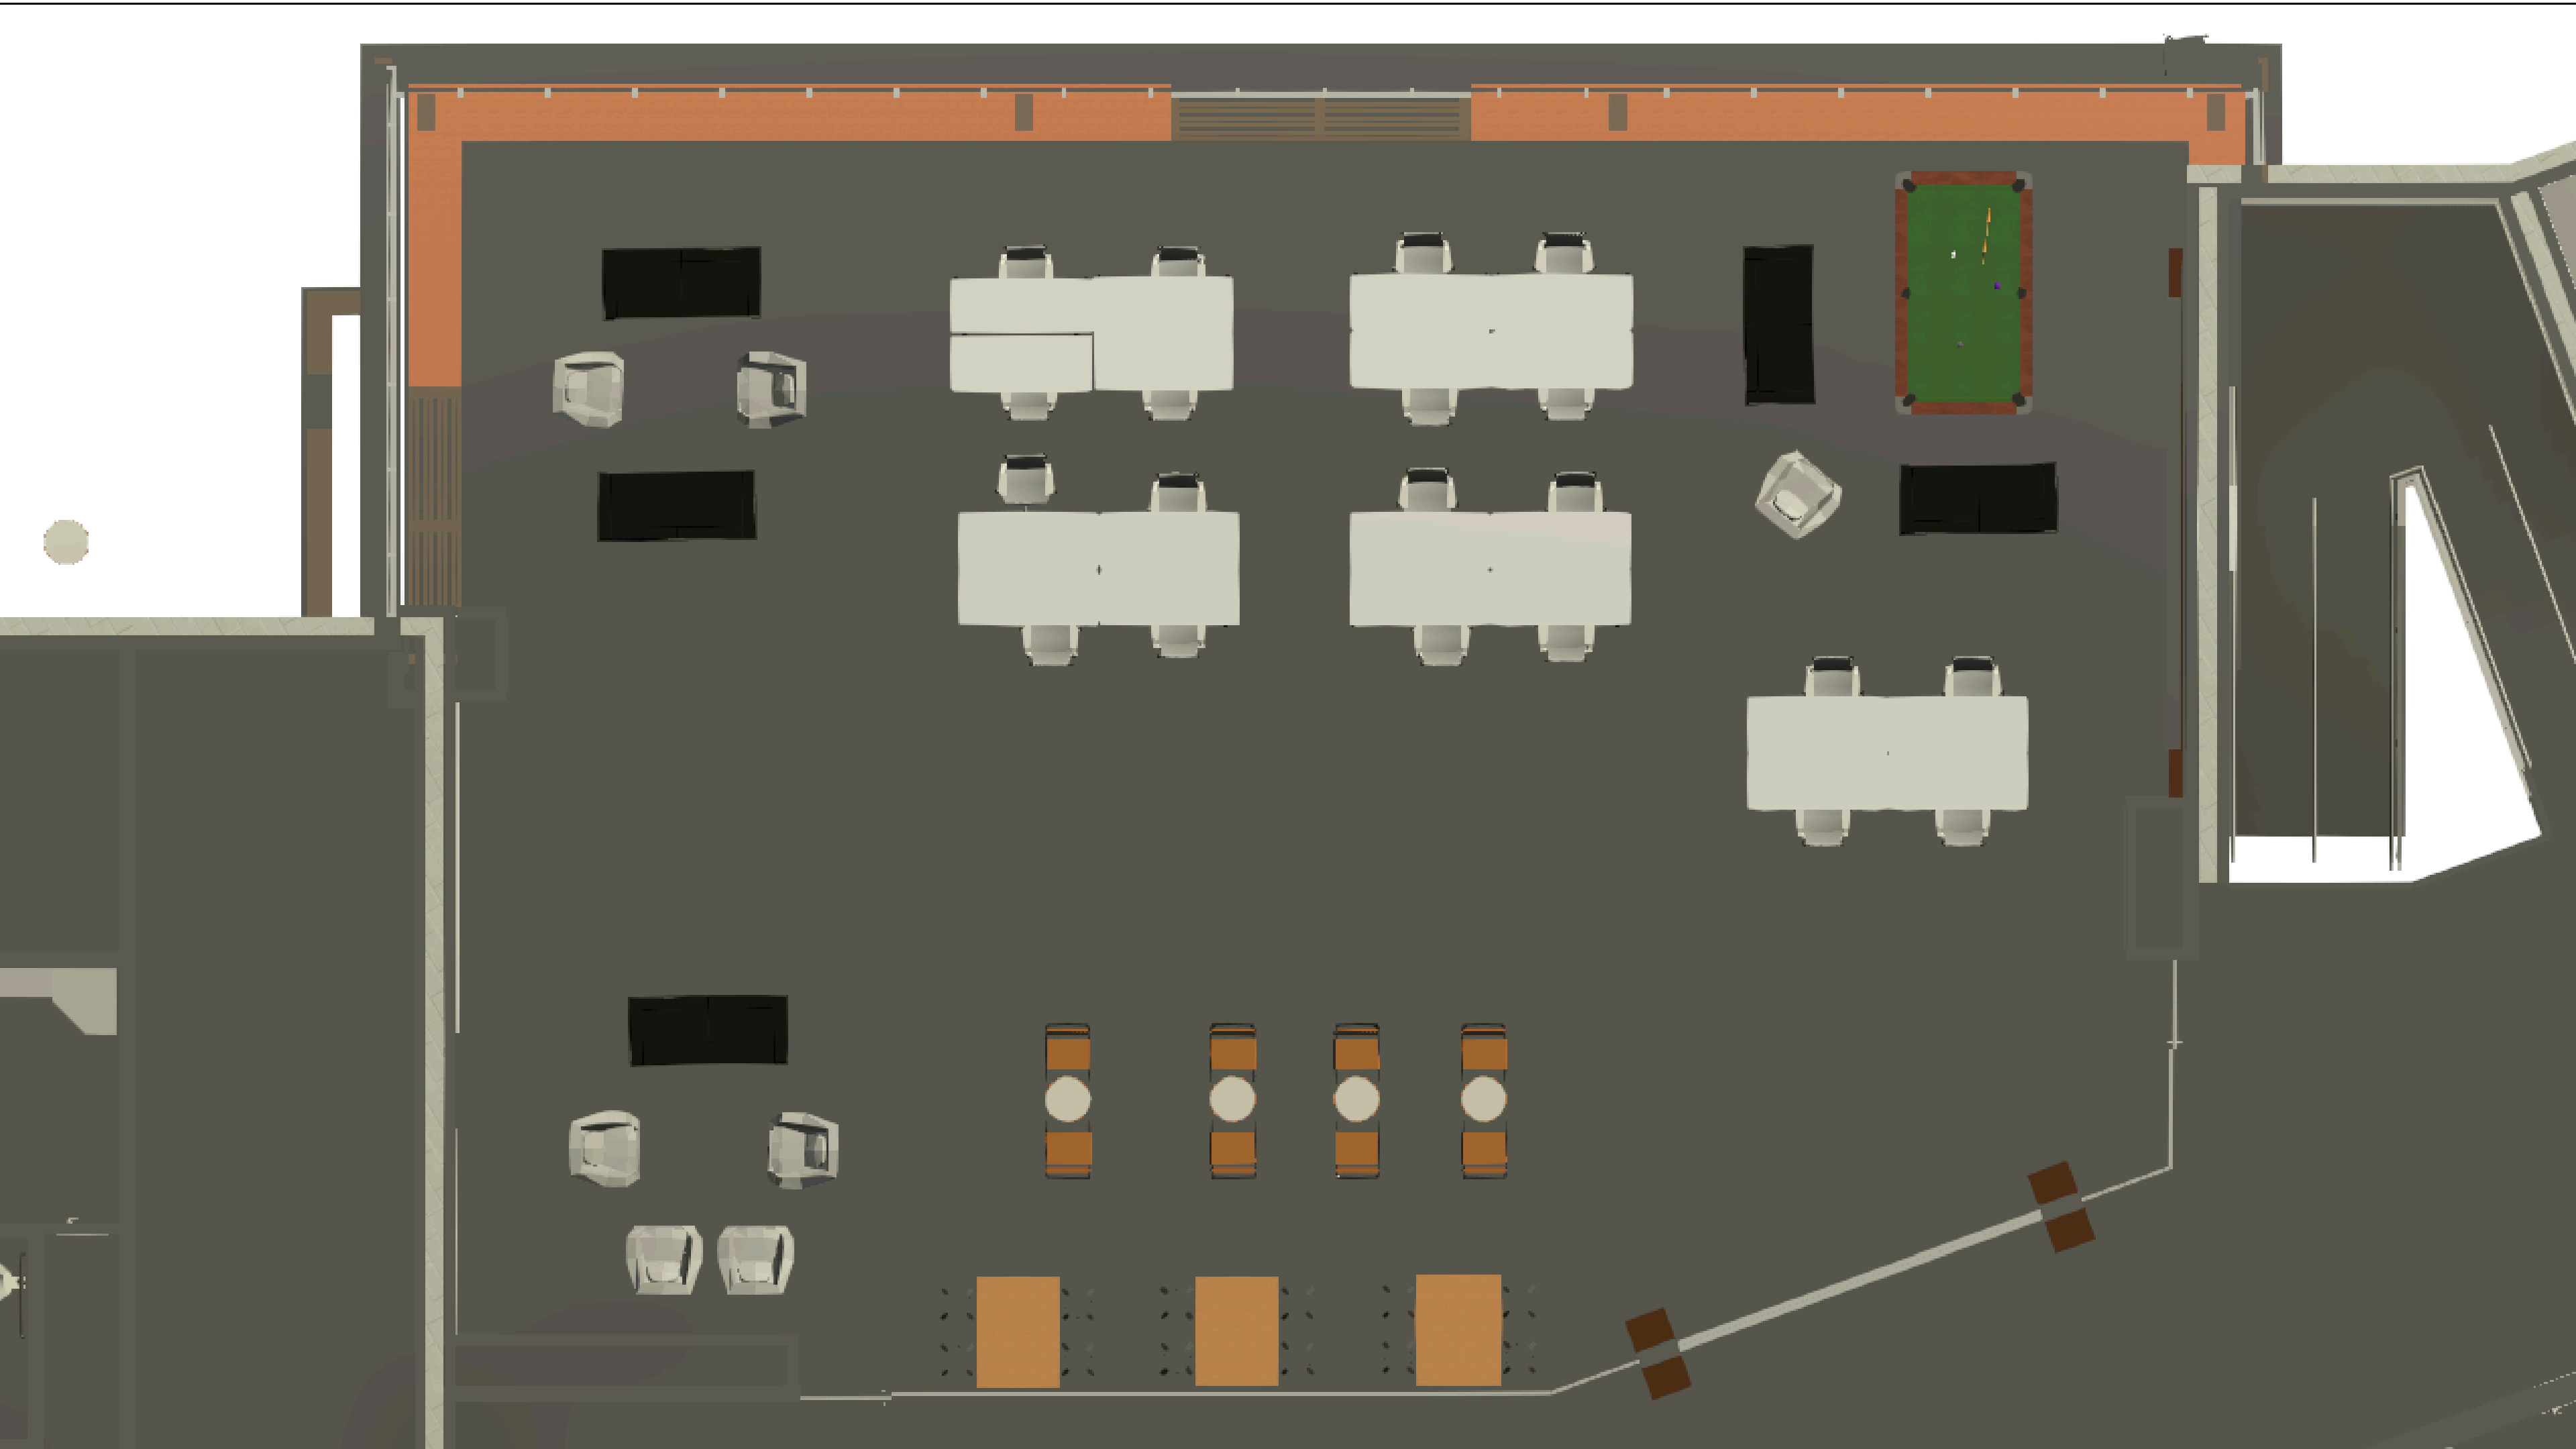

# Project Deliverables

To create a space useful for meetings and testing with relaxed modernized components

# Challenges and Solution

Learning new software has been a challenge, but we have been able to work through it with help.

Working with Clients:

- Juggling different needs and wants of the clients.
- Scheduling
