Richland One Office of Career & Technical Education

March 2025

SUMMER EMPLOYMENT FOR TEENS

Looking for a fun way to make some cash and gain valuable work experience this summer?

Richland One is excited to announce summer job openings specifically for teens.

Students will be notified of an interview once their applications is completed in full. Applications are open now through April 11, 2025. Click the link below.

Make your summer count! Get your foot in the door with one of these awesome job opportunities. ✨

One City: Future Ready is a transformative program designed to connect R1 students with the City of Columbia, allowing them to work in different departments and learn what it takes to run a city. Whether it's assisting in city planning, working with public safety, or helping with community outreach, students gain practical experience while contributing to the local community. Click the link.
