Encinitas Union School District Announces Successful Passage of Bond Measure Z and Seeks Members for Citizens' Bond Oversight Committee

Encinitas, CA – On November 4, 2024, Bond Measure Z, a general obligation bond valued at \$158.3 million, passed with overwhelming support, receiving an approval rate of 56.84%. The Encinitas Union School District (EUSD) extends its heartfelt thanks to the community for their strong commitment to the future of our students and schools.

This approval represents a significant investment in the educational experience for all students. The funds from Measure Z will be used to make critical upgrades across all nine elementary school campuses, improving safety, modernizing facilities, and enhancing learning environments. These improvements are designed to foster innovation, provide safe spaces, and ensure that students have the tools and environments necessary to thrive.

- Reviewing expenditure reports to ensure that funds are spent solely on the projects outlined in Measure Z.
- Presenting an annual written report to the Board of Trustees, summarizing their findings and observations regarding the use of bond funds.
