HAVE YOU MOVED??

To maintain accurate records and ensure that you receive school communications, please notify the main office of changes in address, phone numbers, emergency numbers, and e-mail addresses for your children.

To change an address, you must complete a form available from the Main Office. Written proof of the new address is required; you will be required to show a lease, mortgage document, or utility bill with the new address.

If you have lost something, PLEASE come check out the Lost and Found in the **Attendance Office.** It will be cleaned out during Spring Break. The closet is full of jackets, backpacks, clothes, water bottles, etc. Anything valuable like glasses, jewelry, and electronics are behind the desk.

INCLEMENT WEATHER

In the event of bad weather where schools may be closed, delayed or closing early, area radio and television stations will be notified so parents can listen for school closing announcements. The district will also inform parents through social media, such as instant messaging, X, and Facebook.

If schools close after the start of the student day, the notice is given to the media at least an hour before the first students are released to give parents, bus companies and others enough time to respond.

<u>When you know that school will begin to close at a specific time, East High School will dismiss school approximately 30 minutes later.</u>

Whenever there are inclement weather days and the school may or may not be dismissed early in the day, parents are reminded that they may pick up their child/children anytime. Students will not be dismissed prior to the assigned time unless parents pick them up. For parents who are working, please instruct your children what to do and where they need to go should you remain at work.

ATTENDANCE CALLS

Please call
920-448-2093

When reporting your child absent or you need them dismissed for an appointment, call the number above.

If the line is busy or nobody answers, our attendance secretaries are assisting other callers.

Please leave a message including your name, your child's name and the details of the absence. The Attendance secretaries retrieve messages continuously throughout the day.

EATS FOR EAST

The mission of East High School's Eats for East meal program is to provide healthy meals and snacks to students during non-school hours. The program supports, on a weekly basis, our unaccompanied youth, homeless students and families in need.

Good nutrition promotes good academics, and this program will ensure that students arrive on Monday morning ready to learn. When students feel their best, they do their best.

The vision for this program is that students be provided healthy food on both school and non-school days. Our schools are our community, and by providing meals and snacks over the weekend, we are supporting our students and improving our community one backpack at a time.

Donations and other inquiries can be directed to Sandy Waubanascum, social worker, at 920-272-7059 or at slwaubanascum@gbaps.org.
