Green Bay East High School

East High Parent Newsletter

Issue No. 5 | April 2025

East High Families,

Can you believe it's already April? While we see the end of the school year approaching, we want to make sure students are pushing themselves to finish this year on a high note.

Our building wide attendance declined during the month of February, so we are asking that all parents/guardians encourage students to come to school, attend their classes and not leave the building unless it's for lunch. We have many events happening between now and June and we want all students to be able to participate in those events. It is important that students know that they need to be students first and are required to attend school 85% of the time or more and have no major (administrator required) referrals to be able to attend Prom (juniors or guest of a junior) and go to after school activities. You can keep track of your student's grades and attendance by having access to the Parent Portal in Infinite Campus. If you do not have access please call the Help Desk at 920-448-2148 for assistance.

We have amazing summer school opportunities to provide students a way to get ahead with credits, make up credits, or participate in summer workouts. Summer school online registration closed on March 31st, however, if you would still like to get your student signed up for summer courses please contact your student's counselor.

If you have questions or concerns about your students attendance, grades or overall success please contact your student's teacher, counselor or associate principal. We want to work together to help all students succeed.

As always if I can be of any assistance please reach out.

It's a Great Day to Be a Red Devil! During our 2024-25 school year, we have had 61 classes nominated and received RDP Champions of the Week! This means the classes were displaying Red Devil Pride by being respectful, dependable and prepared. Congratulations to all the awesome classes. Each class received a reward for their efforts.

At the end of the year, the GBAPS district conducts a survey on our progress as a school. They talk with students and staff to see if they understand Red Devil Pride and how well we are doing overall as a school. 100% of students and staff knew our RDP expectations and had displayed them in their classrooms. This year we increased our Red Devil Pride by 27% over the past few years. Keep showing that Red Devil Pride everyone!

Good nutrition promotes good academics, and this program will ensure that students arrive on Monday morning ready to learn. When students feel their best, they do their best.

The vision for this program is that students be provided healthy food on both school and non-school days. Our schools are our community, and by providing meals and snacks over the weekend, we are supporting our students and improving our community one backpack at a time.
