Dear Parents,

Students enrolled in grades 3-8 in the Walton County School District will take the *Georgia Milestones End-of-Grade (EOG)* Assessment. The EOG is designed to measure the knowledge and skills taught in Georgia classrooms. Students will be assessed on how well they have learned Georgia's content standards for their grades. Results from the tests will be provided to schools and parents.

Testing will take place in the mornings on the following schedule for middle schools:

Date	Content Area
Wednesday, April 30	English/Language Arts, Section 1
Thursday, May 1	English/Language Arts, Sections 2 & 3
Friday, May 2	Mathematics
Monday, May 5	Science (<i>Grade 8 Only</i>)
Tuesday, May 6	Social Studies (<i>Grade 8 Only</i>)

As with any assessment, we ask that you talk to your child about giving their best efforts on the tests. Students can perform best when they arrive at school on time, calm, rested, and have eaten breakfast.

Please call if you have any questions or concerns about this assessment program.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Todd', is written over a light blue horizontal line.
