Adopted February 20, 1996

Last Revised August 6, 2013

Once approved by both the School Board and State Board of Education, the charter school will be subject to an annual review of its operations and finances by the school district and School Board. Annually, the charter school will submit a written report and make a presentation to the School Board and the public. This report will include information on the attainment of student performance expectations, meetings of the governing bodies of the charter school, descriptions of charter school activities, and other information of interest to the School Board.

There will be an annual contract between the Board and the charter school which includes the charter school budget and site accountability report.

If there is evidence of a breach of contract, then the School Board shall have a right to investigate this breach of contract and meet with the charter school to discuss possible remedies.
