

BP 1240 SCHOOL-CONNECTED ORGANIZATIONS

The School Board recognizes that families or community members may wish to coordinate booster clubs or other school-connected organizations for the purpose of supporting the educational program and/or extracurricular programs such as athletic teams, debate teams, and musical groups. The School Board supports such activities and welcomes interest and participation.

The School Board recognizes that these organizations are independent of the school or District. In order to protect the District and students, the Superintendent or designee shall establish appropriate controls for the relationship between such organizations and the District. Groups desiring to be recognized as school-connected organizations shall request authorization from the Superintendent or designee in accordance with conditions established in administrative regulations.
