Board of Education

Policy Type: Superintendent Limitations

Policy Title: 3.7 Treatment of Students, Their Families, and Community Members

Policy Reported: Annually: April

---

With respect to interactions with students, those applying to be students, their families, and community members, the Superintendent shall not cause or allow conditions, practices, procedures, activities, or decisions, which are unsafe, undignified, uncaring, or unnecessarily intrusive or restrictive. The Superintendent shall not:

3.7.1

Fail to provide reasonable, timely responses to inquiries and information to students and their families of what may be expected and what may not be expected from all services offered by the district, including academic courses and programs (especially specific course syllabi), sports and extracurricular programs, transportation and parking services, health and nutritional products and services, and special programs.

3.7.2

Use any method of discipline for student behavior or dress that is unclear, untimely, or inconsistently applied.

3.7.3

Fail to operate facilities safely and with equitable internal and external accessibility to students, their families, and community members.

3.7.4

Retaliate against any student, family member, or community member for non-disruptive expression of dissent or concern.

3.7.5

Prevent students, families, or community members from being heard by the Board when internal hearing procedures have been exhausted and the person alleges that Board policy has been violated to his or her detriment.

3.7.6

Fail to acquaint students and parents/guardians with their rights.
