

Data Privacy Incident

Notice: Mar 29, 2025

On January 31, 2025, Hawthorn District 73 discovered unauthorized access to certain information within our network between January 17, 2025 and January 31, 2025. We take the privacy and security of information in our care very seriously and immediately conducted a thorough investigation upon discovery of the incident. The investigation found no evidence to suggest that any information was misused. The student information potentially viewed included student name, address, phone number, school email, student ID number, guardian's name, race/ethnicity, grades, and/or student benchmark data. Social Security numbers were **NOT** included in the potentially viewed information. ***District 73 does not collect or store Social Security numbers for students or parents.***
