Dear Families,

On behalf of all of us at the Alice. A. Macomber Primary School, we are delighted to know you are considering having your child join our Preschool/Pre-K Community.

We assure you that your child's well-being, growth, and development are our top priorities. We offer a nurturing and stimulating environment where children can explore, learn, and thrive. Our dedicated team of certified Early Childhood Educators are committed to providing high-quality early childhood education that fosters creativity, curiosity, and a love for learning.

Our curriculum is thoughtfully designed to meet each child's unique needs and interests. Through hands-on activities, play-based learning, and interactive experiences, we aim to ignite your child's imagination, cultivate their social skills, and lay a solid foundation for future academic success.

We understand that choosing the right Preschool/Pre-K is a significant decision for your family, and we are here to support you every step of the way. If you have questions about our program, curriculum, or daily routines, please do not hesitate to contact us. We are also offering individual tours of our classrooms upon request, so please do not hesitate to call us and set up an appointment. We value open communication and collaboration with our families and look forward to building a strong partnership with you.

Sincerely,
