

Semi-Annual Inspection Station List

The following stations in our area can perform school bus inspections for the Tangipahoa Parish School Board. It is always a good idea to call the inspection station **BEFORE** going. Drivers should correct or have corrected all deficiencies before bringing the bus for inspection

****Please check these things before going to get your bus inspected to make sure you can pass inspection:**

*Step Guard/Tread *Stop Arms *Crossing Arms *Strobe Light/ All lights

*Seat Damage (tape any holes/tears) *Backup Alarm *Windshield *Tires
