### We Walk by Faith...in PIETY

Piety expresses itself through reverence. Reverence is honor and respect that is deeply felt and outwardly demonstrated. Because of God's awesome power and majesty, He is deserving of the highest level of reverence. The Bible records reverence as the automatic response of everyone who encounters the awesome grandeur of the Lord.

In the Old Testament, God taught the Israelites how to show proper reverence by giving them hundreds of laws related to purity, holiness, and worship. In New Testament Christianity, reverence for God is demonstrated by our willingness to voluntarily die to self and obey His commands. Jesus reminded us that we must properly reverence God. He taught the disciples to begin their prayers with "Our Father, who is in heaven, hallowed be your name." "Hallowed" means "set apart as holy."

We are to treat the name of God with reverence. It is common to hear people use God's name as an exclamation. OMG is tossed about as though it was of no more significance than the word "wow." We may not intend to be irreverent, but when we invoke God's name in casual chatter, we are being just that.

This week, let us monitor our references to God as a sign of reverence for Him and His name.

### Let us pray ...

for parishoners and community members that need our prayers, that they be restored to full health and healing.

for Pope Francis, as he returns to full health.
