

ENROLLING YOUR CHILD:

Welcome to Kasson-Mantorville Schools!

We're excited to have your family join us! Our online enrollment process is simple and efficient through Infinite Campus.

Before you start, please gather the following information and documents:

Household Information: Address and phone numbers

Parent Information: Cell and work phone numbers, email addresses, proof of residence document (e.g., utility bill)

Student Information: Previous school contact details, report card/transcripts, proof of age document (e.g., birth certificate), special education documents (IEP or 504), health information (medications, and immunization record).

Emergency Contacts: Name and phone numbers of a non-guardian contact

For Kindergarten Registration: Please provide proof of age documentation (e.g., birth certificate), preschool screening information, and immunization record.

READY?

If older siblings are already enrolled, you do not need to take any action for them this year. Updating current student information will happen in the Spring and existing students are automatically reenrolled for the next school year.

If you are enrolling a Preschool student for Kindergarten, please log into the Parent Portal to enroll a new student. Once your enrollment is submitted, you'll hear from us about next steps. If you're enrolling for the upcoming school year, keep an eye out for the KoMet Report and back-to-school newsletters over the summer!

**WE LOOK FORWARD TO WELCOMING YOU TO OUR
SCHOOL COMMUNITY!**
