

SHINER LUTHERAN SCHOLARSHIP

About the Scholarship

The Shiner Lutheran Scholarship is a ministry of the United Evangelical Lutheran Dr. Martin Luther Church assisting those in need with post-secondary education opportunities. It is given so that the funds received by the individuals will assist in their ability to carry out Christ's mission and calling. While there is a strong faith-based component to the scholarship, it is not restricted to members of this congregation. Participation and service within the student's own faith community is of primary importance in determining scholarship recipients.

The Shiner Lutheran Scholarship is awarded to individuals that are currently or will be attending a post-secondary education opportunity such as a seminary, college, university, vocational school, or trade school.

The scholarship is made possible by donations to a scholarship fund at United Evangelical Lutheran Dr. Martin Luther Church. If the funding is adequate, scholarships will be awarded in 2025.
