GATEWAY POINTE  
ELEMENTARY SCHOOL

APRIL 2025

## Last Month

During the short time we had in March, we made prints using styrofoam plates, did a week-long science experiment with eggs, and had our end of quarter House Celebration! Congratulations to WHITE TAIL DEER for being our House Point winner for Q3!

## Reminders

The deadline for any schedule changes is 12pm Wednesday of the previous week!

Please make sure to send a message if you know your student will be absent!

Join our Remind group to stay up to date on announcements!

## Coming Up

In April we're looking forward to art concept activities like line work, symmetry, and color blocking. We'll also be learning a little about echolocation for Bat Appreciation day, and try out some new steps to learn a Contra dance for International Dance Day!

## Upcoming Events

- Summer registration is now live!
- 4/17 Bat Appreciation Day
- 4/18 No School - Spring Holiday
- 4/22 Earth Day
- 4/29 International Dance Day
