POWER RANCH
ELEMENTARY SCHOOL

APRIL 2025

Last Month

March was a short month for us in Kids Club, but a fun one nonetheless! We had fun making back-to-back drawings with partners, making bird kites, designing our own little gnomes, and receiving a visit from a very naughty leprechaun! We're also so proud of our K/1 group for making their sticker chart goal in Q3! Way to go!!

Reminders

We are still collecting recyclables all month long for our bug hotel/fairy garden creations and STEM Boat challenge!

Changes to your schedule must be made by Wednesday at noon!

Coming Up

We are fully committing to reducing, reusing, and recycling this month! We have lots of STEM activities this month and art reflecting our beautiful Earth! We are excited for the Boat Challenge, Solar Oven S'mores, sprouting seedlings, paintings, and active games in the gym!

Upcoming Events

- Summer registration is now live
- 4/4 Last Day for Sleep In Heavenly Peace donations
- No School 4/18 Spring Holiday
- 4/24-4/25 Boat Challenge for 4th-6th graders
- 4/29 Solar Ovens
