40-59

60-79

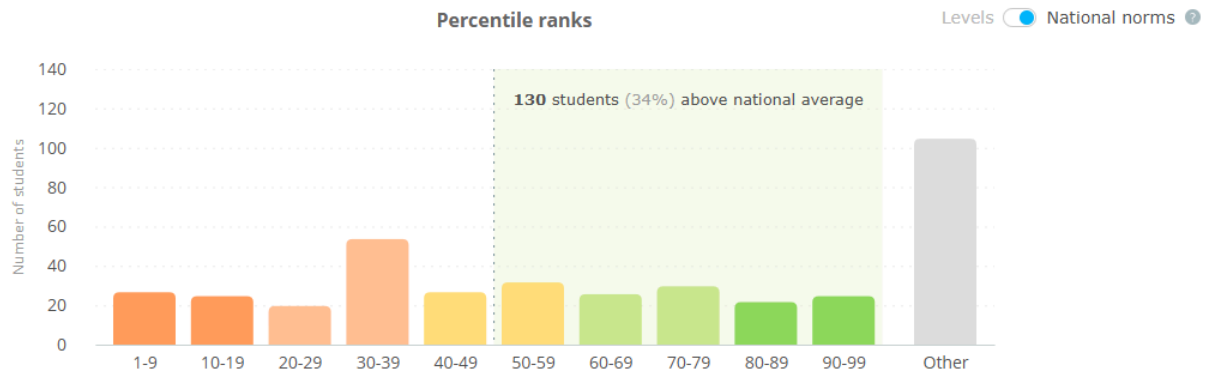

80-99

Not pinpointed

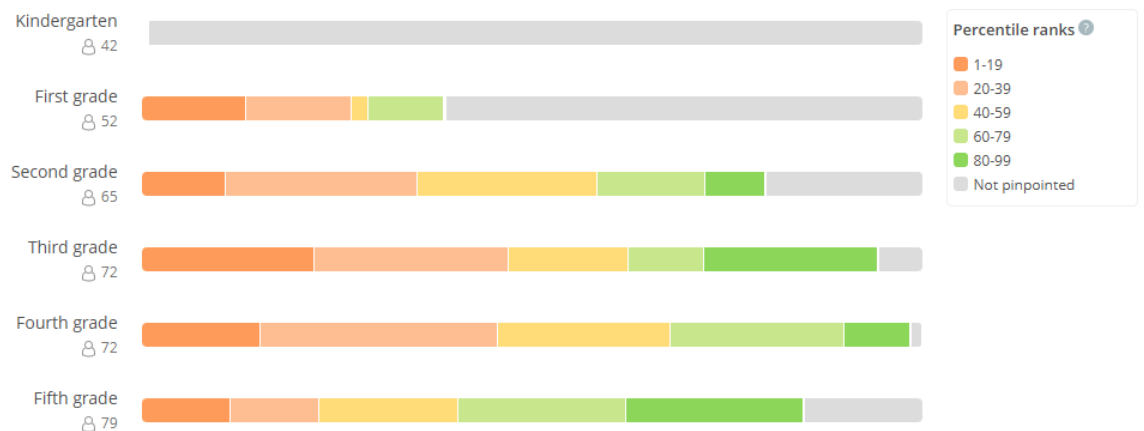

★ Noticings - 4th grade 40th% and above is 76%, 5th grade 40th% and above is 59%. 4th and 5th use IXL much more than the other grades.

★ IXL Math Data some 1st-5th same as February Data

Group by Grade ▾ + Apply changes

- ★ Noticings - 4th grade 40th% and above is 52%, 5th grade 40th% and above is 63% in math.

### ★ Behavioral/PBIS Updates -

- Advanced Tiers PBIS team is tracking data on students with check-in/checkout forms as well as assisting teachers with Request for Assistance (RFA) to help teachers with interventions for behaviors.

### ★ Events Past/Upcoming

- Carberry's Got Talent show was on February 20th and it was a great event that raised nearly \$11,000. There were nearly 90 sponsors of items for the silent auction that goes on while the students are performing. There were several of our T3+ students that either created a video that was played or they performed on stage. As a principal, I am very proud of this kind of event because I want "ALL" students to feel accepted and push themselves to the next level. The PTO, volunteers, and kids get all the credit. There are some pictures below.
- NASA Science Fair and Title Night, Thursday, March 6th from 5:30-7:30 pm we had a great night where teachers had science projects going on in each grade level. The Reuseum and the Robotics club from the high school came. Students had pizza with

their families and then used a passport to go through the night doing different activities. We were disappointed in the wind so we weren't able to do the telescopes (next time). But the best part was announcing the winners of the Science Fair. We had 60 entries this year and we were so excited for the work the students put in. The winners will be coming to the Board meeting to discuss their projects on Monday night along with the Student Council. Some pictures are below.

#### ★ Staff Highlight Certified/Classified

- Lindsey Adams and Jason Driever - NASA team advisors. They worked with the team of teachers that help with NASA specialists every month and they planned our NASA Science Fair and Title Night and it was a huge success.

#### ★ Student Highlight -

- Science Fair winners and Carberry's Got Talent students who participated.

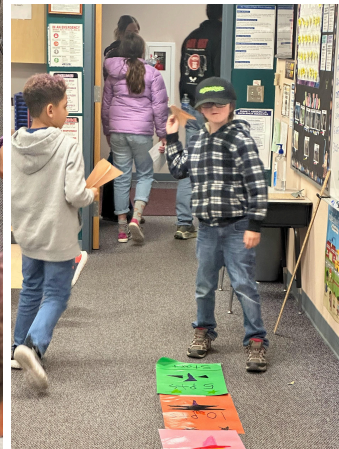

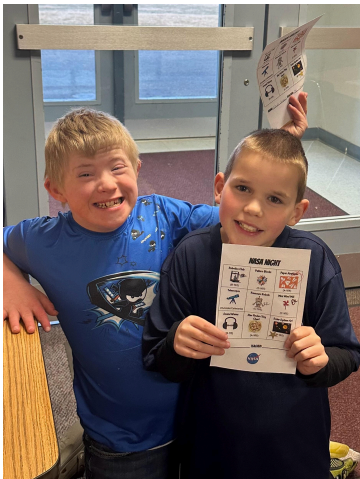

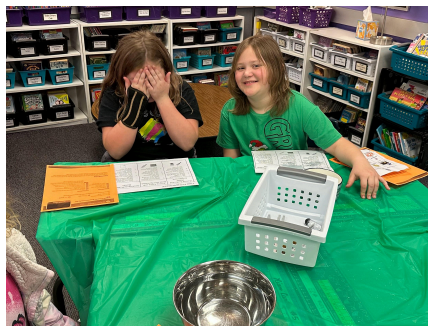

#### ★ Pictures of NASA Science Fair Night Winners and Activities

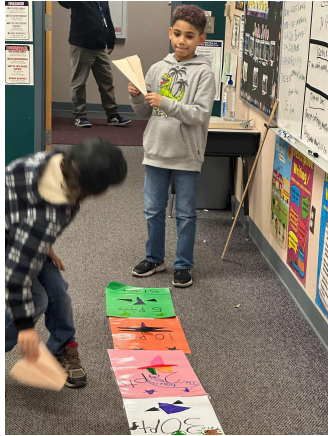

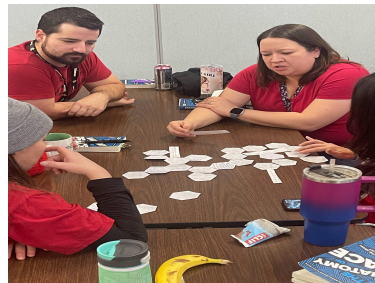

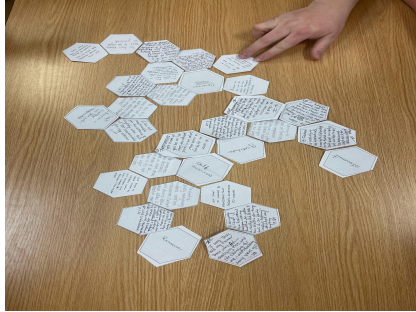

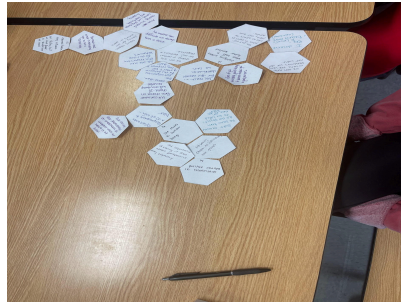

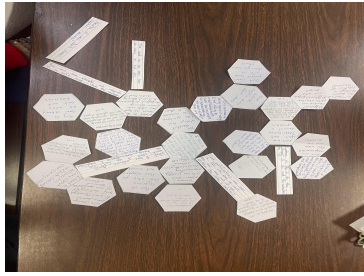

★ Staff Pictures from February PD on doing a Hexagon activity with the book Anatomy of Peace

**Please see the Carberry Newsletter for other information going out to our families.**
