Pony Post-April 1st, 2025

The city of Havre is updating some water lines over by Highland Park elementary school. While the school will not experience any water shortage issues, it will impact pick-up and drop-offs for both transportation and parents. Principal Hayley Criner is sending information home with all students. This process will run from April 7th through the remainder of the school year. You can find maps regarding how this process will look on our District Website and District Facebook site. Infinite Campus messages will also be sent to all families who have students attending Highland Park.

Havre Public Schools believes that attendance matters when it comes to a child's success in school. All our schools have an attendance goal for the upcoming school year, as we know the impact that is created when a child does not come to school on a regular basis. Attendance Matters banners will be placed outside all our buildings, including Robins. The banners include statistics that are important for all parents to be aware of. Please scan the QR Code to preview the Attendance Matters information. If you have any questions on attendance and how it impacts learning, please reach out to Lisa Passon, our MTSS Director at (406)-395-6711.

Finally, Havre Public Schools is hosting a wide variety of events. MAT still has four performances left of the play, *Oliver*. The play times for 4/3 and 4/4 are 7:30pm and on 4/5 there are two performances, 2:00pm and 7:30pm. You can purchase tickets at the Havre High School auditorium entrance. Our Blue Ponies are home as well with Track starting at 8:30am, Tennis at 8:00am, and Softball at 1:00pm.

Sincerely,

Brian Gum
