Dear Mount Olive Township School Community,

It is with immense pride that I share some wonderful news regarding the safety and security of our Mount Olive Township School District. A recent article in [Morris Focus](#) highlights our district being recognized as the **safest school district in Morris County** and acknowledges the significant strides we have made in ensuring a secure and supportive educational environment for all our students and staff.

This prestigious distinction, earned among 41 school districts in the county, reflects the collaborative efforts of our school board, administrators, security team, teachers, parents, and staff members, whose vision, expertise, guidance, and ongoing vigilance made this achievement possible. Under the leadership of Director of Security James Carifi, whose extensive background in law enforcement and commitment to safety has transformed our district's security protocols, we continue to prioritize the wellbeing of our school community.

As the *Morris Focus* article underscores, our holistic approach to school safety is what sets us apart and allows us to consistently surpass expectations. Our mission remains unequivocal: to provide every student with a safe and supportive learning environment where they can thrive academically, socially, and emotionally.

Warm regards,

Dr. Sumit Bangia
