Explore, Create & Connect with The Compass!

Check out our new Eleyo registration system! This new system is designed for busy people who want to keep class registrations simple and easy! Now you have the ability to register your family all at once, save your payment method to your account, print receipts and more. Just create a new account and you will be off and running, ready to learn, create, explore and connect with The Compass. During our summer session we focus on programs for youth and teens. We'll have many more adult classes in the fall, starting late September. We always value your feedback and ideas.

Adult Courses

Basic Rider Course with Utah Rider Ed.
(Ages 16 & Up with valid driver license)

This is the best place to start after you've made the decision to ride, or if you are returning to riding after a long absence. Learn the basics of operating a motorcycle and safety-oriented mental strategies. Motorcycles and helmets are provided for your use. Included are 5 hours of online classroom instruction and up to ten hours of hands-on riding exercises in a positive and safe environment. Successful completion of this course will waive riding test for Utah Driver License Division. This course takes up to 15 hours to complete and is held at Park City High School. Please plan on attending both Saturday and Sunday 8:00am-1:00pm. Note: Schedule times may vary. Be sure to verify your schedule with Utah Rider Ed. Class is limited to 10.

For more information and to register go to utahridered.com.

Practical AI
A human centered approach

Cut through the hype and the dread and explore firsthand the power and potential of Practical AI. In this two-hour workshop designed for adult learners and parents. Todd MacDonald, founder of Applied AI Labs, leverages nearly two decades at Microsoft and a master's in psychology to offer unique perspectives on AI's practical applications. The workshop covers simple AI fundamentals, demonstrates tools and techniques, discusses ethical considerations and explores actionable insights to enhance personal development and support students in this rapidly evolving digital age. Whether you are brand new to AI or looking to deepen your understanding, this workshop equips you with tools and knowledge to explore AI confidently. Join us to learn how an AI-Mindset can enhance your world. If you have questions, please email Todd at:

ToddWMac@CenterForAppliedAI.com.

Adult Courses

Essence Pilates

Pilates is a systematic exercise method designed to stretch, strengthen and balance the body. It was created by German-born Joseph H. Pilates in the early 1900s and brought to the United States in 1926. Practiced on the mat or on apparatus (such as the Reformer, Chair, Towers or Trapeze) with or without props (resistance bands, magic circle, blocks and light weights), it is for *every* body regardless of age and fitness level. Pilates has been proven invaluable not only as a fitness endeavor, but also as an important adjunct to all types of physical rehabilitation and professional sports training. Develop core strength, improve balance, flexibility, joint stability, bone density, coordination and body awareness through this gentle yet invigorating and challenging practice that emphasizes quality of movement over quantity, proper alignment and breath. Classes are held at Essence Pilates in Silver Creek (597 Parkway Drive, Suite C (upstairs) at Wasatch Physical Therapy. Instructor Dani LoFeudo, NCPT (Balanced Body/PMA) gives you individualized attention that gives you the best results.

All Levels Mat Pilates for Your Core & More!

Join us for our Mat class where everyone is welcome! Please bring a mat and a smile. Expect a new challenge every week while we advance you safely based on your individual level of experience at the time you join this course. In-person attendance is limited to 8. Instructors: Dani LoFeudo / Gretchen Hall.

Bubble & Water Science Fun

(Ages 3 ½ - 5)

Have you ever wondered why bubbles pop? Or what makes certain objects float while others sink? Is it true that water has its own skin? Join us in this exciting and interactive scientific class where kids explore these questions and more! Through fun experiments and hands-on activities, children discover the fascinating world of bubbles. Get ready for a day filled with wonder and discovery! No class 7/24.

Mon. - Fri. • July 21 - 25

9:15 am - 12:15 pm • PPES • \$120

Registration Information
on Pages 14 & 15

Diggin' Dinos

(Ages 5 - 7)

Immerse yourself in the world of paleontology for a week and uncover the truth behind these fascinating creatures. Explore what life was like for dinosaurs as you dig for bones, embark on a dinosaur egg hunt, create dinosaur masks, cast your own fossils, and even build an erupting volcano.

This engaging class offers a blend of games, stories and more to enhance the learning experience. Led by the experienced instructor Helen Hanahan, who is an After-School Coordinator at JRES, this camp promises an enriching and enjoyable time for all.

Mon. - Fri. • July 14 - 18

9:15 am - 12:15 pm • PPES • \$150

Diggin' Dinos Jr.

(Ages 3½ - 5)

Embark on a thrilling journey to uncover Earth's earliest and most captivating inhabitants! Dive into the world of dinosaurs through engaging hands-on crafts, captivating stories, exciting games, and mesmerizing music. Learn all about how dinosaurs are classified and how fossils are created, then create your very own dinosaur tracks. Let your creativity run wild as you imagine and construct your very own prehistoric creature. Get ready for an adventure like no other as you explore the wonders of the past!

Mon. - Fri. • July 14 - 18

9:15 am - 12:15 pm • PPES • \$150

Dr. Seuss & Silly Science

(Ages 5 - 7)

In this innovative class, classic children's literature is brought to life through engaging kitchen science experiments inspired by popular books such as "Bartholomew and the Oobleck" and "Strega Nona." Dive into the world of Dr. Seuss and Tomie dePaola as you learn how to create the mysterious green goo from Oobleck and make pasta dance just like in Strega Nona. Join us as we explore the magic of storytelling and hands-on experimentation in a truly unforgettable experience.

Mon. - Fri. • July 7 - 11

9:15 am - 12:15 pm • PPES • \$150

Extreme Animals in the Sea

(Ages 3½ - 5)

Delve into the world of aquatic life and uncover the most formidable, ferocious, and peculiar creatures that inhabit the depths of the ocean. From the elusive Mimic Octopus to the peculiar Blob Fish and the majestic Whale Shark. Uncover the fascinating and bizarre reasons behind the unique characteristics of deep-sea creatures. Explore the mysteries of the underwater world and marvel at the wonders of nature's creations.

Mon. - Thur. • June 30 - July 3

9:15 am - 12:15 pm • MPES • \$120

Youth Classes

Fairyland Fantasy

(Ages 4 - 6)

Prepare your wings and sprinkle some pixie dust because this class is a magical journey filled with enchanting fun! Delve into the captivating world of fairy legends from around the globe and unleash your creativity with fairy art projects. Everyone receives their very own pair of fairy wings to cherish. Dance and frolic to whimsical music alongside your fellow fairy friends!

Tue. - Fri. • June 17 - 20

9:15 am - 12:15 pm • PPES • \$120

Kids' Chemistry

(Grades 1 - 3)

Experience the thrill of being a scientist for a whole week! Dive into the world of hypotheses, scientific testing, and result analysis. This is a week filled with strange and amazing experiments that will truly be hands-on fun! This chemistry program is specifically designed to spark high interest in science learning. You never know what exciting (and safe) experiments you might get to try in our summer lab. All supplies are included, so all you need to bring is your curiosity and enthusiasm!

Mon. - Fri. • July 14 - 18

9:15 am - 12:15 pm • PPES • \$150

Lego WeDo Robotics

(Grades 2 - 4)

Join the exciting world of Lego Robotics and create amazing Lego models with functioning motors and sensors! Lego WeDo is a fantastic program that immerses children in interactive technology experiments, allowing them to program their own models and participate in a variety of theme-based activities. Not only do kids have a blast, but they also enhance their skills in science, technology, engineering, and mathematics, as well as language, literacy, and social studies. Leading the way is our incredible instructor, Jill Kopish, a licensed teacher and our After-School STEM science teacher.

Mon. - Fri. • June 23 - 27

9:15 am - 12:15 pm • PPES • \$150

Little Zoologists (Ages 5 - 7)

Discover what it takes to be a professional Zoologist! Delve into the fascinating world of animals, exploring their behaviors and interactions within their ecosystems. Dive deep into the study of physical characteristics and the 6 basic animal groups. Discover which animals are on the endangered list and how conservation efforts have helped animals to flourish and come off the list. Leading this thrilling course is instructor, Marian Irvin, a dedicated educator with over 25 years of experience teaching students from Pre K to 4th grade in Texas, Delaware, and Colorado.

Mon. - Fri. • June 9 - 13

9:15 am - 12:15 pm • PPES • \$150

Mini-Math

Do the Numbers!

(Ages 3 ½ - 5)

Kids love to learn and Mini-Math is the perfect way to kick-start their love for numbers! They dive into the world of math by exploring number recognition, shapes, sorting, and patterning. Start learning math concepts like addition and subtraction while engaging in active games, creating art, and more. Our incredible instructor, Marian Irvin, a seasoned educator with over 25 years of experience. With a background in teaching Pre K through 4th grade in Texas, Delaware, and Colorado, Marian is the perfect guide to help children discover the wonders of math in a fun and exciting way!

Tue. - Fri. • June 17 - 20

9:15 am - 12:15 pm • PPES • \$120

Pete the Cat It's All Groovy

(Ages 4 - 6)

We absolutely adore Pete the Cat, and it's no wonder why kids do too! He's a cool cat who always manages to find the silver lining in any situation life throws his way. Through Pete, children are able to learn important qualities like courage, enthusiasm, honesty, patience, perseverance, and the importance of being a loyal friend. Pete the Cat is truly a groovy role model for kids everywhere!

Mon. - Fri. • July 14 - 18

9:15 am - 12:15 pm • PPES • \$150

Youth Classes

Quirkles (Ages 4 - 6)

Have you heard of Quirkles? It's an amazing science curriculum that combines literacy and science while also helping kids build their vocabulary and understand scientific concepts through engaging stories and hands-on experiments. It's vibrant, exciting, and children absolutely adore it! Meet some of the quirky characters from Quirkles:

- Kitchen Chemistry Kal (K)
- Susie Sound (S)
- Water William (W)
- Gilbert Gas (G)
- Ellie Electricity (E)
- Ronnie Rock (R)

These characters, along with others, help children learn letters, expand their vocabulary and grasp the basics of physical science. Leading the way is the incredible instructor, Eva Montejano. Eva is a kid favorite at Trailside Elementary and summer camps too!

Mon. - Fri. • June 9 - 13
9:15 am - 12:15 pm • PPES • \$150

Shark Week (Ages 4 - 6)

Behold, a Shark Sighting! Did you know that there are over 400 species of sharks inhabiting the world's oceans today? We delve into the diverse range of shark species, from the infamous great white shark to the lesser-known spiny dogfish. Through engaging STEAM activities, children gain knowledge about shark anatomy, dietary habits, tracking techniques, and even participate in a shark spotting contest. Join us as we embark on an educational journey to uncover the fascinating world of sharks and their vital role in marine ecosystems.

Mon. - Fri. • July 7 - 11
9:15 am - 12:15 pm • PPES • \$150

Slime-O-Rama

(Grades 2 - 4)

Are you obsessed with slime? Get ready to have your mind blown as we transform slime-making into exciting STEM science experiments! Dive into the world of polymers and non-Newtonian fluids, conduct scientific investigations on different slime recipes, and so much more. Our lineup includes Edible slime, Color Changing slime, Glow in the Dark Slime, Noisy slime, and Super stretchy slime. Discover the fascinating science behind slime in a way that's easy to grasp through hands-on experiments. Learn about the concepts of liquids and solids, and how heat and force can impact liquids. Leading the way is the amazing instructor, Eva Montejano, a beloved figure at Trailside Elementary. She can't wait to meet all the kids at our summer camps!

Mon. - Fri. • June 23 - 27
9:15 am - 12:15 pm • PPES • \$150

Spa Day

(Grades 2 - 4)

Indulge in a week of pampering with our luxurious self-care class! Treat yourself to pedicures, manicures, meditation, face masks, and more. Learn how to make your own bath bombs, sugar scrub, and lip balm for a spa day meets science class experience. All supplies provided, just bring yourself and your excitement. Led by spa expert Helen Hanahan, get ready to relax, rejuvenate, and have a blast in this unforgettable class!

Mon. - Fri. • June 9 - 13
9:15 am - 12:15 pm • PPES • \$150

Registration Info
on Pages 14 & 15.

Spa Day

Pour La Petite

(Grades K - 1)

Oo la la! Attention all little divas! Get ready for a week of luxurious pampering at our camp. Join us to learn the art of creating bath bombs, face masks, and all things spa-related. Indulge in manicures, pedicures, massages, and hair treatments for the ultimate relaxation experience. It's so amazing that it all ties back to science! Get ready to be pampered and feel like a true VIP at Spa Day at Pour La Petite! The instructor is Helen Hanahan. Helen has grown up in the spa business and loves all things spa related.

Mon. - Fri. • July 28 - Aug. 1
9:15 am - 12:15 pm • PPES • \$150

To the Stars & Beyond

(Ages 3 1/2 - 5)

Embark on an exhilarating space adventure like never before! Join us as we delve into the marvels of the universe, from the shimmering stars to the enigmatic moon. Become an astronaut and glide through the galaxy, experiencing astronaut food firsthand. Let your imagination run wild as we create our very own aliens and engage in spaceship play. And don't forget to treat yourself to star-shaped snacks that are truly out of this world! Guiding us on this cosmic journey is the incredible Manuela Vojnovic, an After School Coordinator with Park City School District. Don't let this thrilling opportunity pass you by - come learn, play, and uncover the wonders of space with us!

Mon. - Fri. • June 9 - 13
9:15 am - 12:15 pm • PPES • \$150

Youth Classes

NEW

Safari on Canvas

(Ages 6 - 12)

Join us on a painting expedition through the African continent and learn about native wildlife. Through acrylic, watercolor, and sculpture we will learn fun facts about the many creatures that live in the deserts and jungles in Africa. Grab your binoculars and paintbrush for a week of roaring good fun!

Mon. - Thu. • June 30 – July 3

9:15 am - 12:15 pm • PPES • \$190

NEW

Passion For Fashion

(Ages 6 - 12)

Calling all kids with a love for everything Fashion! Experience a week of creativity while we learn about fashion illustrations, clothing design and accessories. We explore the world of design and textiles through painting, pastels, collage, and more. This is not just an art camp - it's a runway of creativity!

Mon. - Fri. • July 14 – 18

9:15 am - 12:15 pm • PPES • \$200

NEW

Giddy Up Artists

(Ages 6 - 12)

Saddle up for Creativity and a rootin'-tootin' good time! Cowboys and cowgirls grab your boots and hats and get ready for a creative adventure like no other. Through paint, pastels, leather, and clay we gallop into an unforgettable summer adventure full of art, imagination, and the spirit of the Wild West! This camp is a horse lover's dream...Giddy up!

Mon. - Fri. • July 28 – August 1

9:15 am - 12:15 pm • PPES • \$200

Kids Yoga & Crafts

with Randi Jo (Ages 3 ½ - 11)

Get ready for an unforgettable experience at our yoga camp! This is not your average yoga class - it's a journey of self-discovery and connection. Through yoga, mindfulness, captivating stories, and fun crafts, children learn to harmonize their bodies and breathe with the world around them. Each day is packed with thrilling activities and projects that will ignite their imagination and bring joy to their hearts! We'll also enjoy games, storytelling, journaling, and a perfect mix of laughter, peace, and wonder. Don't forget to bring your mat, water bottle, and a peanut-free snack. Our amazing instructor, Randi Jo Greenberg, has been sharing the magic of Kids Yoga for 20 + years.

Art in Bloom: Garden Creation

(Ages 4 - 6)

Let your creativity bloom in this garden-inspired art camp! Young artists dive into nature-themed projects, crafting everything from painted flower pots to botanical prints and whimsical garden sculptures. We'll explore the beauty of plants, bugs, and the great outdoors through hands-on art making, mixing natural materials with colorful creativity. Whether you're sculpting a clay critter or designing your own dream garden, this camp is perfect for little nature lovers ready to bring their imagination to life!

Tue. - Fri. • June 17 - 20

9:15 am - 12:15 pm • PPES • \$180

Storybook Studio: Art Inspired by Books (Ages 4 - 6)

Calling all book lovers and budding artists! Bring your favorite stories to life through art. Each day, we'll explore a new book and use it as inspiration for creative projects. From illustrated scenes and character sketches to mixed-media storytelling and handmade books, we'll experiment with a variety of artistic techniques. This camp is the perfect blend of reading, imagination, and hands-on creativity!

Mon. - Fri. • June 23 - 27

9:15 am - 12:15 pm • PPES • \$215

Color Splash: A Bold & Bright Art Camp (Grades 1- 3)

Get ready to dive into a world of color! This camp is all about bold hues, vibrant creativity, and hands-on fun. We'll explore painting, printmaking, mixed media, and more—experimenting with bright palettes, color mixing, and eye-catching designs. From abstract masterpieces to imaginative landscapes, every project is a celebration of color and self-expression.

Mon. - Fri. • July 7 - 11

9:15 am - 12:15 pm • PPES • \$215

Sketch Lab: Next-Level

Drawing Camp (Grades 4 - 7)

Whether you love sketching from observation or inventing something totally new, this camp is all about building confidence, creativity, and having a blast with fellow young artists! We'll explore people, animals, landscapes and imaginative designs and experiment with pencils, charcoal, markers and pen & ink. Learn shading techniques, perspective tricks, and bring your ideas to life with bold lines and dynamic compositions.

Mon. - Fri. • July 14 - 18

9:15 am - 12:15 pm • PPES • \$215

Crazy Chemworks (Ages 5 - 11)

QUICK! When you think of a Mad Scientist, what pops to mind? A chemist, of course! Mix chemicals, make slime, examine reactions, and travel up and down the pH scale. Your take-homes in this camp helps you as you start building your home lab!

Mon. - Fri. • June 9 - 13

9:15 am - 12:15 pm • PPES • \$230

Rockin' Rockets & Radical Robots (Ages 5 - 11)

It's like a dream come true! Kids build a model rocket and a solar-powered robot. They learn about Newton's laws of motion, forces of nature, thrust and altitude calculation, programming, robot movements, and basic circuitry.

Tue. - Fri. • June 17 - 20

9:15 am - 12:15 pm • PPES • \$230

Mon. - Fri. • July 21 - 25 (No class 7/24)

9:15 am - 12:15 pm • PPES • \$230

Underground Explorers

(Ages 5 - 11)

Kids learn about archaeology, excavation techniques, ancient civilizations, and artifacts. They study bone fragments, pottery shards, amber deposits, and fossils. The class includes make-and-take projects such as fossil reproductions, amber time capsules, and world coins.

Mon. - Fri. • June 23 - 27

9:00 am - 12:00 pm • PPES • \$220

Eureka! The Inventor's Camp

(Ages 5 - 11)

Overcome a series of challenges using basic materials, simple machines, tips from famous inventors, and most importantly, their minds. They create catapults and forts, construct working light sticks and assemble a set of circuits with batteries and light bulbs.

Mon. - Thur. • June 30 - July 3

9:15 am - 12:15 pm • PPES • \$199

Mon. - Fri. • July 28 - Aug. 1

9:15 am - 12:15 pm • PPES • \$230

NASA Academy of Future Space Explorers

(Ages 5 - 11)

Set your future space explorers on a trajectory from our Earth's atmosphere to the outer reaches of our solar system! This hands-on program brings them closer to the stars, planets, comets and more. They learn about living in space, getting away from gravity, looking for space phenomena and participating in a rocket launch!

Mon. - Fri. • July 7 - 11

9:15 am - 12:15 pm • PPES • \$230

Secret Agent Lab

(Ages 5 - 11)

This program features fun-filled, hands-on, secret agent-themed science activities that allow kids to play detective, explore forensic science, sharpen their surveillance skills, and crack encrypted messages. Kids become super sleuths!

Tue. - Fri. • July 14 - 18

9:15 am - 12:15 pm • PPES • \$220

Mathnasium of Park City

Get ready for the school year with focused Numerical Fluency programs for 2nd-6th graders at Mathnasium of Park City. Certified instructors teach math in a fun way using the Mathnasium Method in small group settings. Gain key concepts and strategies to feel confident for the upcoming math year. Classes held at Mathnasium at Park City in Utah.

Rising 2nd & 3rd Graders

Mon. - Thur. • July 28 - 31

1:00 - 2:00 pm • Mathnasium • \$225

Rising 4th, 5th & 6th Graders

Mon. - Thur. • Aug. 4 - 7

1:00 - 2:00 pm • Mathnasium • \$225

Movie Star Camp ®

(Ages 7-10 - Emmys)

(Ages 11-14 - Oscars)

Your Oscar® award awaits!

Experience the fun of starring in a movie! Students learn the art of on-camera acting, improvisational acting, and scriptwriting while starring in a short, professional and imaginative family movie. Developed by a former Disney and Nickelodeon producer, our curriculum this summer focuses on helping actors to make strong choices which lead to the creation of more interesting, relatable characters. In addition, the Oscar class will be given an opportunity to write, storyboard and direct their own short movie. Family and friends are then invited to attend our annual VIP, red-carpet movie premiere starring your children at a real movie theater! Cost includes a \$50 production fee, DVD and 4 VIP red carpet movie premiere tickets in the afternoon of September 13 at the Avon Theater or Ideal Playhouse in Heber.

Ages 7 - 10 & Ages 11 - 14

Mon. - Fri. • June 23 - 27

9:15 am - 3:15 pm • PPES • \$295

STEM Discovery (Ages 5 - 7)

Unleash your creativity with tens of thousands of LEGO® pieces at your fingertips! Build engineer-designed projects as you discover the world around us through our inquiry-based learning model. Projects are rotated seasonally to ensure that both new and returning students can explore the endless creative possibilities of the LEGO® building system.

Tue. - Fri. • June 17 - 20

9:15 am - 12:15 pm • PPES • \$150

STEM Innovations (Ages 7 - 12)

Design and innovate with Play-Well TEKnologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering and architecture through engineer-designed projects and an inquiry-based learning classroom model. Projects are rotated seasonally to ensure that even returning students get a new experience. Time to see STEM in action!

Tue. - Fri. • June 17 - 20

1:00 - 4:00 pm • PPES • \$150

Minecraft Engineering (Ages 5 - 7)

Venture into the world of Minecraft in our unique LEGO® experience. Get ready to build your base, craft your tools, use your Minecart to harvest raw resources and battle to stop the Ender Dragon from ending the world. Explore the endless possibilities of LEGO® with a trained Play-Well instructor.

Mon. - Fri. • July 7 - 11

9:15 am - 12:15 pm • PPES • \$185

Minecraft Master Engineering (Ages 7 - 12)

Bring your favorite Minecraft adventures to life! In a Minecraft world powered by LEGO® resources, we build shelters to keep out Creepers, craft mystical items that only true masters can wield and perfect our crossbow skills to stop the Wither from taking over! If you can imagine it, we can build it.

Mon. - Fri. • July 7 - 11

1:00 - 4:00 pm • PPES • \$185

Radical Rides (Ages 5 - 7)

Start your engines with tens of thousands of LEGO® parts as you dive into the vast world of vehicles! Build and design an array of exciting machines, traversing land, sea and air! Learn about the engineering principles behind motors, gears and everything that vrooms and zooms!

Mon. - Fri. • July 28 - Aug. 1

9:15 am - 12:15 pm • PPES • \$185

Radical Rides 2.0 (Ages 7 - 12)

Get anywhere, any way by building fast and furious vehicles of all kinds! Dive into our tens of thousands of LEGO® parts and learn about the engineering behind vehicle design and creation. We guarantee you'll get movin' and groovin' through the world.

Mon. - Fri. • July 28 - Aug. 1

1:00 - 4:00 pm • PPES • \$185

Power Up (Grades K - 5)

This program is perfect for students wanting to have fun while learning chess fundamentals. It helps improve critical thinking, math skills, and test scores. Students start with basic piece movement and progress to checkmating patterns, chess openings and tournament-style games.

Mon. - Fri. • June 23 - 27

9:15 am - 12:15 pm • PPES • \$199

Tournament (Grades K - 5)

This camp is kids who have an understanding of chess piece movement, basic mating patterns and a love for everything chess. Expand your chess knowledge and experience through new opening positions, tactical ideas, tournament-length gameplay, game analysis and play against each other in a BLITZ tournament!

Mon. - Fri. • June 23 - 27

1:00 - 4:00 pm • PPES • \$199

Jewelry Camp with Tortured Heart Studio

(Ages 13 - 17)

This fun 4-day camp teaches you the techniques & tools you need to make your own cool jewelry. We'll be cutting, hammering, texturing and connecting metal, wire and beads to make necklaces, earrings, bracelets, charms, pet tags, bag swag and more!

Mon. - Thur. • June 9 - 12

9:15 am - 12:15 pm • PPES • \$275

Mon. - Thur. • July 7 - 10

9:15 am - 12:15 pm • PPES • \$275

Mon. - Thur. • July 28 - 31

1:00 - 4:00 pm • PPES • \$275

Make & Take Jewelry Workshops with Tortured Heart Studio (Ages 9 & up)

Beaded Necklace + Earrings

Become your own designer, making your unique beaded necklace and earrings. This workshop is fun and easy and teaches you to use jewelry tools so that you can make your own designs for years to come.

Mon. • June 9

1:00 - 4:00 pm • PPES • \$75

Mon. • July 7

1:00 - 4:00 pm • PPES • \$75

Mon. • July 28

9:15 am - 12:15 pm • PPES • \$75

Amulet Bracelet

Do you love magical looking trinket bracelets? Come make your own symbolic and mythical amulet bracelet with beads, crystals, charms, wire, and clasp. Bring some beads from your own collection to make it extra special!

Tue. • June 10

1:00 - 4:00 pm • PPES • \$75

Tue. • July 8

1:00 - 4:00 pm • PPES • \$75

Tue. • July 29

9:15 am - 12:15 pm • PPES • \$75

Stamped Charms + Pet Tags

Make charms and pet tags with names, and more cool designs. Learn to use tools, stamps and how to connect charms for wearing.

Wed. • June 11

1:00 - 4:00 pm • PPES • \$75

Wed. • July 9

1:00 - 4:00 pm • PPES • \$75

Wed. • July 30

9:15 am - 12:15 pm • PPES • \$75

Belt Chains + Bag Swag

Learn to use tools, chains, charms, and even small toys to make accessories for your clothes, jackets, and backpacks. Super FUN! Class is limited to 10 students.

Thur. • June 12

1:00 - 4:00 pm • PPES • \$75

Thur. • July 10

1:00 - 4:00 pm • PPES • \$75

Thur. • July 31

9:15 am - 12:15 pm • PPES • \$75

Camp Invention

(Grades 1 - 6)

In Control: Campers create their own custom control panel and prototype an AI-inspired bobblehead assistant.

Illusion Workshop: Explore illusions through hands-on experiments and uncover the tech tricks used in theme parks, animated films and more.

Claw Arcade: Build a Claw Arcade with cardboard using creativity and engineering skills and explore physics and the science behind claw machines.

Penguin Launch: Go on an eco-expedition to study penguins in Antarctica and learn about the technology and training used in exploring Antarctica and outer space.

For more information or to register, contact 1.800.968.4332 or go online to www.campinvention.org.

Mon. - Fri. • June 9 - 13

9:00 am - 3:30 pm • JRES • \$295

Adult High School / GED Prep

PCSD Adult Education helps you earn your high school diploma or prepare to take the GED exam.

- **Starts:** September and continues through the school year.
Days: Tuesday and Thursday.
- **Times:** Open 5:00 - 8:00 p.m.
- **Location:** Park City Learning Center
- **Registration:** Register on any evening of the program, in person at the school.
- **Cost:** \$50 and includes study materials.
- GED offered in both English & Spanish.
- Must be 16 years old or older.

For more information see www.pcschools.us under community, Adult Education and GED or call Alison at 435-615-0209 or email ataylor@pcschools.us

English / E.S.L. for Adults

Registrations is August 18-21 and August 25-28. The program starts again in September. Classes are held September through December and February through May at the Park City Learning Center. Call Alison (435) 615-0209 for most current information.

After-School

2025-2026 After-School Camps

The goal of the After-School program is to provide a safe, enriching learning environment for students in Grades PK 4 through 5th grade. The program runs each day that school is in session until 6:00 pm. The daily schedule includes academic/homework support, fitness and enrichment activities. Students also enjoy field trips all around Park City.

Note: PK 4-year olds must be in enrolled in the Park City School District's 4-year-old preschool program and attend 5 days per week to register for the After-School camps.

After-School camps at each of the four elementary schools:

- Parley's Park - Camp Falcon
- Trailside - Camp Trailblazer
- Jeremy Ranch - Camp Hawk
- McPolin - Camp Moose

After-School registration options:

- Mon-Fri \$400/month
- Mon -Thur \$300/month
- Fri only \$200/month

Before-School program is offered at:

McPolin Elementary School.

- Mon-Fri 7:00 - 8:00 am
- Mon-Fri \$125/month

For the latest program information and offerings or to register, scan the QR code below or go to www.pcschools.us and click on Community, Community Education, and then After School Programs.

To check for program availability or financial assistance contact:

Michelle Coy at mcoy@pcschools.us or (435) 615-0213.

June 16 - 26 - Session 7
July 7 - 17 - Session 8
July 21 - 31 - Session 10
Aug. 4 - 14 - Session 11

Evening Lessons:

Classes are 40 minutes

Tues. & Thur. • 4:00 - 6:00 pm • \$60 per session

June 10 - July 3 - Session 6
July 15 - Aug. 8 - Session 9

Private swim lessons available for all ages!

Please call (435) 645-5617 or email bmitchell@pcschoools.us for more information.

Aqua Tot Swim Time

Aqua Tot Swim Time

These are self-led sessions without an instructor* for any swimmer age 4 or younger with a parent or trusted adult in the pool with them. This is time to build confidence and comfort in the water. This is a drop in session; no registration is needed. Cost is \$5.00 per child. Fri 9:30 - 10:30 am.

* Aqua-Tot instructor-led classes run during our group lessons with registration happening with our group lesson schedule.

*Stay up to date on facility events,
schedule changes and closures at our
website:*

www.swimparkcity.com

Park City Aquatic Center

(435) 645-5617 • 2465 W. Kilby Rd. (at Ecker Hill Middle School)

Park City Swimming is a small elite year-around USA Swim Team providing a healthy approach to competitive swimming by guiding and supporting all our swimmers, regardless of their abilities, as they strive to reach their potential. We offer the opportunity to learn valuable and transferable life lessons while learning proper techniques and challenging oneself to attain a higher level of fitness and performance.

Our swim team welcomes swimmers age 7-18, all levels welcome from beginner to elite competition swimmers. Start your swimming journey with Park City Swimming. All interested swimmers need to complete a short try-out with one of our coaches. Please contact us to schedule a try-out today. Email at pcscoach@pcschoools.us. For more information about our team, please visit our website www.ParkCitySwimming.net or send us an email with any questions.

Park City Water Polo Team

Park City Water Polo team is a USA Water Polo sanctioned competitive club dedicated to teaching the fundamentals of water polo to our developing athletes as well as offering a high level of competition to our advanced players. Splashball is open to players 8 and under and is designed with the intent of providing the basic skills and understanding of the sport in a fun recreational format. We also offer youth and high school divisions. All abilities welcome. Scholarships available. For more information, please visit our website www.parkcitywaterpolo.com or email us at parkcitywaterpolo@gmail.com.

Learn to Scuba!

Your next adventure is waiting for you! Dive into fun with Park City Dive Shop. We are your destination for scuba diving instruction and travel. Our certified master divers are ready to help you go beneath the surface for the time of your life in Park City, UT and beyond. Park City Dive Shop is a new name, but we have over 10 years of experience. We were known as Caribbean Dreamin Scuba, but our passion for scuba diving remains unchanged. Are you ready to dive in? Call Park City Dive Shop at 385-442-9064 or visit our website at www.parkcitydiveshop.com to learn more today!

Lifeguard Classes

Want to learn skills you will remember for the rest of your life? Want to learn lifesaving skills? Want to help others? Take a lifeguarding class at the Aquatic Center. Call the pool or check our website for upcoming classes. All classes will include CPR, First Aid, AED and Lifeguarding certifications.

Wonderful, Wild & Wacky WIBIT Wednesdays

Come and play on the WIBIT play structure in the deep part of the pool all summer during 1:00 - 4:00 PM

Stay up to date on facility events, schedule changes and closures at our website:

Registration Information & Policies

Cancellation & Refund Policy

Students receive a 100% refund of tuition if a request to withdraw is received no later than 7 days prior to the first day of the course. Any cancellation less than 7 days before the first class is not eligible for a refund. If you register for a class within 1 week of the class start date, this cancellation policy still applies.

Occasionally we may find it necessary to cancel a class due to low enrollment or other scheduling conflicts. If this occurs, registered students will be contacted and a full refund will be issued.

Enrollment Policy

Class sizes are limited and enrollment is a first come first served basis. We cannot prorate students for missed classes or classes that they are unable to attend.

Inclement Weather

If we must cancel or reschedule a class, a makeup class will be scheduled if at all possible. If students are unable to attend the makeup class, they will be refunded the missed portion of their class fee. If the class is cancelled entirely, a full refund will be issued.

Missed Days

PCSD Community Education is unable to prorate students for missed classes or classes that they are unable to attend. PCSD Community Education does not offer make-up days for missed class sessions.

Media Release Statement

I understand and agree that when I register, I agree to the following: Student / parent guardian releases to Park City School District the students name, picture, art written work, voice, verbal statements, portraits (video or still) and consent to their use by the Park City School District. (PCSD). PCSD agrees that the students name, picture, art, written work, voice verbal statements, portraits, (video or still) shall only be used for public information, school or district promotion, publicity and instruction. Student and parent/ guardian understand and agree that the use of the student's name, picture, art written work, voice, verbal statements, portraits: 1. No monetary consideration shall be paid. 2. Consent and release have been given without coercion or duress. 3. This agreement is binding up heirs and/or future legal representatives. 4. The photo, video art student statements or portraits may be used in subsequent years. If the student parent/ guardian wish to rescind this agreement they may do so at any time with written notice to Jane Toly at jtoly@pcschoools.us

Important Message Regarding Child Safety

Park City School District does not assume responsibility for any child dropped off unattended. Please check with the instructor to make sure the class schedule has not changed before leaving your child at a facility.

Please pick up your child promptly after the class. In case of emergencies, contact the Park City School District at (435) 645-5600 or at the Aquatic Center at (435) 645-5617.

Safe School Policy

Park City School District's Community Education programs comply with the Safe Schools Policy #10100. Participants in violation of this policy may be excluded from participation. Copies of this policy are available at www.pcschoools.us or in the Park City School District office.

Notice of Non-Discrimination

Park City School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Todd Klarich, Director, Community Education. 2700 Kearns Blvd. Park City, Utah 84060.

Reasonable Accommodation

Reasonable accommodations will be made for persons with disabilities. Please notify Jaclyn Knapp at (435) 645-5600 ext. 1438 of your request in advance.
