

Want to Make a Real Difference? Become a CTE Teacher

Are you a high school student looking for a career that makes an impact?
Do you want to share your passion and expertise with the next generation?
Consider becoming a career and technical education (CTE) teacher.

Moraine Valley Community College and the Moraine Area Career System (MACS) are partnering to offer a CTE Tech Teacher Cohort Program designed just for you.

Why Choose CTE Teaching

- » **MAKE A DIFFERENCE:** Inspire and empower students to pursue fulfilling careers in high-demand fields.
- » **SHARE YOUR PASSION:** Pass on your knowledge and skills in a subject you love.
- » **SHAPE THE FUTURE:** Prepare students for success in the workforce and contribute to your community's economic growth.
- » **ENJOY JOB SECURITY:** The Illinois Department of Employment Security projects 1,280 job openings over the next 10 years for high school CTE teachers.

What Is CTE?

CTE courses provide students with hands-on, real-world skills in fields such as:

- » Automotive technology
- » Computer graphics
- » Drafting
- » Electronics
- » Engineering
- » Manufacturing
- » Welding

Our Cohort Program Offers Unbeatable Advantages

- » **Reduced postsecondary expenses:** By joining the MACS CTE Tech Teacher Cohort, you can save by living locally while completing the training needed to teach CTE. Southern Illinois University currently estimates an annual undergraduate budget of \$29,000 to \$30,000. Over four years, that can total \$120,000. However, if you live at home and attend the MACS CTE Tech Teacher Cohort, you can finish the program for under \$28,000 total over four years.
- » **Work opportunities while in school:** Gain valuable experience—and earn money—by working as a paraprofessional in local high schools while you complete your teacher training.
- » **Guaranteed interviews:** Connect with area high schools seeking qualified CTE instructors.
- » **Local job opportunities:** Stay in your community and build your career close to home.

Ready to Get Started?

ATTEND OUR INFORMATION SESSION:

BUILDING F | FOGELSON THEATER

Thursday, May 1, 2025 | 10 a.m.

RSVP at
