VISITORS/OUTSIDERS

The Superintendent or designee shall post at every entrance to each school and school grounds a notice describing registration requirements, school hours or hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements. (Education Code 32211; Penal Code 627.6)

Unless otherwise directed by the principal or designee, a staff member shall accompany visitors/outside while they are on school grounds.

Visitor/Outsider Registration

The Principal and staff at each school shall provide appropriate hospitality for visitors and establish a visitor registration process in the school office. All visitors, including parents, must register before visiting. The principal shall provide a visible means of identification to be used by visitors while on the campus.

The most likely visitors are parents or guardians of students, however, all staff need to be alert for strangers on campus and as them if they have registered in the office. If someone refuses to comply the staff member shall inform the Principal or designee.

The Principal shall provide written authorization to all staff members to request loiters to leave the school premises.

To ensure minimum interruption of the regular classroom program, school visits should be arranged with the teacher and/or Principal. If a conference is desired, an appointment should be set with the teacher for a time before or after school.

Principal's Registration Authority

The principal or designee may refuse to register any visitor if he/she reasonably concludes that the individual's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. The principal or designee or school security officer may revoke any visitor's registration if he/she has a reasonable basis for concluding that the individual's presence on school grounds would interfere or is interfering with the peaceful conduct of school activities or would disrupt or is disrupting the school, students, or staff. (Penal Code 627.4)

When a visitor fails to register, or when the principal or designee denies or revokes an outsider's registration privileges, the principal or designee may request that the individual promptly leave school grounds. When a visitor is directed to leave, the principal or designee shall inform him/her that if he/she reenters the school within seven days he/she may be guilty of a misdemeanor subject to a fine and/or imprisonment. (Penal Code 627.7)

Appeal Procedure

Any person who is denied registration or whose registration is revoked may appeal to the Superintendent or principal by submitting, within five days after the person's departure from school, a written request for a hearing. This request must state why he/she believes the denial or revocation was improper and must provide an address to which the hearing notice may be sent. Upon receipt of the request for a hearing, the Superintendent or principal shall promptly mail a notice of the hearing to the person requesting it. A hearing before the Superintendent or principal shall be held within seven days after receipt of the request. (Penal Code 627.5)
