MIRADA NEWS

April 2025

A Message from Mrs. Anderson

Spring has arrived! We have an exciting lineup of family events scheduled for this month. While I've highlighted a few in my message, don't forget to check the PTO Corner for more upcoming school activities. It brings me so much joy to see our families on campus or joining in our restaurant nights.

Autism Awareness Day is tomorrow, Wednesday, April 2nd. We encourage students to wear blue to raise awareness about autistic individuals around the world.

Movie Night is going to be a blast on THIS Friday, April 4th! Gates open at 6:15pm. Students must be accompanied by an adult. The movie is Despicable Me 4!

Mirada Players Performance is April 10th and 11th at 6 pm in the MPR.

Arizona Academic Standards Assessment (AASA) for our 3rd, 4th and 5th graders will begin this week. Please be aware of your child's testing days. Your child's teacher has sent an email with the specific testing days. Please do not schedule any appointments the day of testing. In order for the student to get a complete score, he/she must finish the test before returning to home.

What can you do to help your child be ready? Ensuring they have a good night's sleep, a healthy breakfast and your encouragement will support them more than you may know. Our teachers have effectively equipped the students with the necessary knowledge regarding the standards being evaluated, and we are confident that our students will perform to the best of their abilities.

Enrollment for the 2025-2026 school year:

If you know your child is not returning to Mirada next school year, please be sure to call our attendance clerk - Amy Short (480) 541-4200. This information helps tremendously when we receive it prior to class placements. It also helps with our staffing.

Class Placement for the 2025-2026 school year:

In May, our teachers will work with administration to create next year's classrooms. Parent input is an important part of this process. Parents of our K-4 classrooms may complete our class placement environmental form.

We encourage you to take the time to complete the form. The information shared by our families is used during the class placement process. As noted on the form, we want to build classes that will ensure the best possible learning environment for all students while still maintaining balanced classrooms.

PTO Elections:

Do you have any kind of accounting or financial background? We are looking for a treasurer for next school year. If you are interested in getting more information about taking a more active role in the PTO please email hello@miradapto.org. Our next PTO meeting will be April 17th at 5:30pm. Child care is provided.

Before you know it, May will be here with the promise of a memorable conclusion to our school year. Thank you for your partnership and collaboration thus far this school year. Your support truly makes a difference in our students' learning experiences.

Kindly,
Michelle Anderson
Principal

Dear Third, Fourth, and Fifth Grade Families,

*****Please note this is an UPDATED SCHEDULE*****

Mirada third, fourth, and fifth grade students will take Arizona's Academic Standards Assessment (AASA) and fifth graders will also take the AZ Science Assessment between the dates of **Monday, March 31st and Friday, April 18th.**

Please make note of the following specific testing dates to **avoid scheduling any appointments for your child(ren) during these days.** It is important for your child to be in attendance. However, it is more important that they are well and fever free. If you find your child has any symptoms that would not allow for them to come to school for the day, please make sure to call the attendance line at 480-541-4201 and report his or her absence. If your child begins the test, then becomes ill or exhibits symptoms that require them to be sent home, they will not be able to complete that section of the test or retake that section.

If you have any questions about state assessments please email Mrs. Leftwich, Asst. Principal, at aleftw@kyrene.org or call her at 480-541-4200.

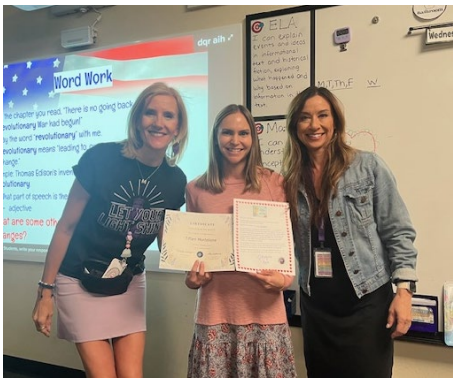

Thank you!

Staff Member of the Month

Congratulations to Mrs. Montelione for being nominated and selected as February's Staff Member of the Month. Below are some comments from her nomination:

Her classroom has a strong learning environment. Her approach is sweet, yet she maintains control and respect throughout the day. She is supportive and encourages the kids to be good people in and outside her room. The kids have gotten closer because of her leadership. Her communication to parents far exceeds any other year we've had at Mirada—you're never in the dark with what's going on with your student or in the school as a whole. She embodies the habits—and you can tell she not only loves to teach but loves to learn so she is always encouraging our student to go above and beyond. She has been an incredible leader for our daughter.

We are so thankful that you are at Mirada Leadership Academy. Our students, staff and community are grateful for your dedication.

Nominate Staff Member of the Month

Do you know of a staff member who has positively impacted students, making learning engaging or shown dedication to their role? Then nominate them for Staff Member of the Month! All it takes is a few minutes to fill out a four response questionnaire. Nominations may be submitted by school staff, students or parents. Please submit nominations by the last Thursday of the month. Click the button below for link to nomination form.

PTO CORNER

A NOTE FROM THE PRESIDENT

Happy 4th Quarter Mirada! This year is flying by and this month won't be any different. We can't wait to see you out this month Monarchs! The end of the year means it's almost time for PTO elections. Being a member of the PTO has been an incredibly rewarding experience for me. It has enabled me to form personal relationships with the staff that have had such a huge impact on my son during his time at Mirada. Our goal is to help foster and preserve the amazing Mirada community while also spoiling and recognizing the teachers, administrators and staff who work so hard for our kids every day. Do you have any kind of accounting or financial background? We are looking for a Treasurer for next year. If a position on the board is not what you're after, no worries, there are less involved roles available as well. If you are interested in getting more information about taking a more active role in the PTO please email us at hello@ptomirada.org. PTO elections are held at the last meeting of the year (on May 15th) but we'd like to work on slating the ballots at our next meeting on April 17th at 5:30 pm.

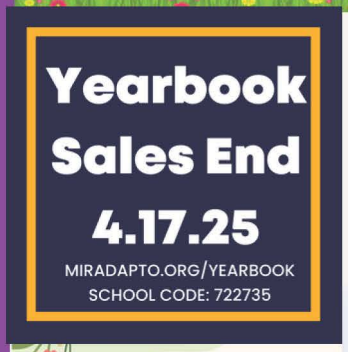

MOVIE NIGHT THIS FRIDAY!

Come enjoy a free screening of Despicable Me 4 this Friday night on the Mirada field. We have invited a taco truck, a lemonade truck, popcorn vendor, Jeremiah's ice cream and PTO will be selling Zzeeks pizza and drinks. This is a great opportunity to get together as a Mirada community before the weather gets too hot to be outside! We're pre-selling whole medium Zzeeks pizzas this year, orders can be made here:Pizza PreOrder or via the QR code below

Attendance Notification Letters

Dear families,
As we have shared in previous newsletters, we have been sending attendance letters when your child reaches 4, 8, 13 and 19 or more absences. The purpose of this is to be proactive and keep you informed, so your children stay below 19 absences, which the state identifies as excessive. We understand that children get sick and family circumstances require your children to be absent from school. The portion of the letter that explains Arizona attendance law is required, but please know that our goal is always to support you and partner with you. Please reach out to our office staff if you have any questions.

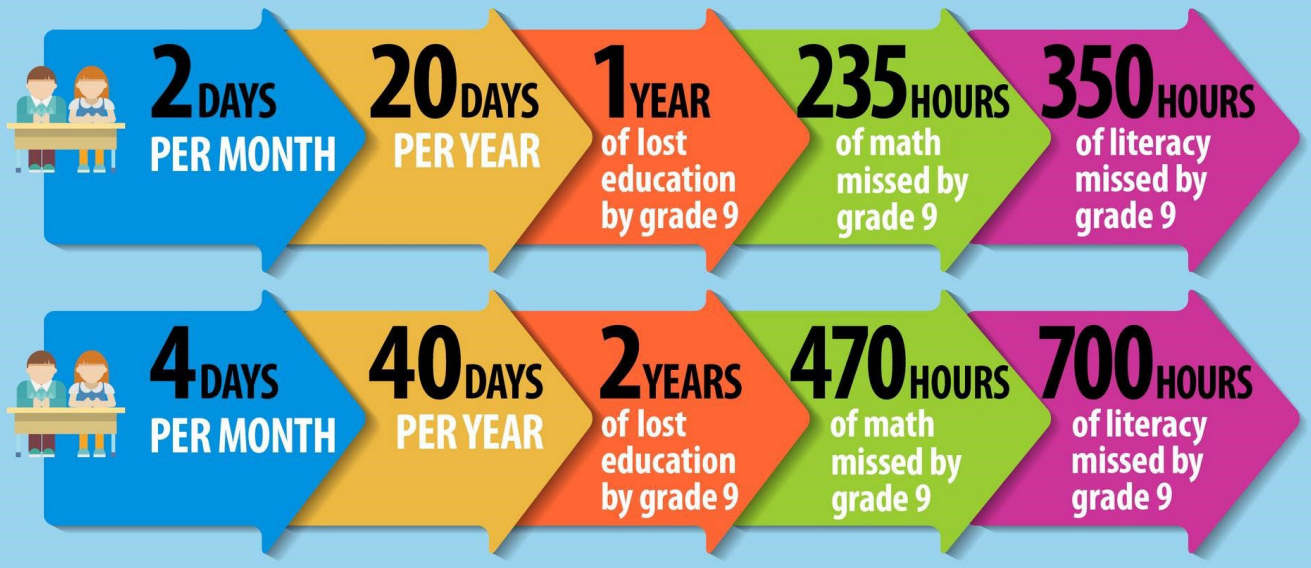

ATTENDANCE IMPACT

When students are absent, they miss out on fundamental reading and math skills. This can impact grades and test performance. The graphic below shows how consistently missing days in grades K-8 can add up to years of lost education by high school.

HERE TODAY, thrive TOMORROW!

Every Day Counts!

KyreneSchoolDistrict

Too sick for school?

Regular attendance is important for your child's well-being and learning. This guide can help you determine when to keep your child home and when to send them to school.

HERE TODAY, thrive TOMORROW!

Send me to school if...

- I have a runny nose or mild cough, but **no** other symptoms.
- I have a mild rash but no other symptoms.
- I have only a mild stomachache.
- I have eye drainage but no fever, eye pain or redness.
- I haven't had a fever or taken any fever-reducing medicine for 24 hours.
- I haven't thrown up or had diarrhea for 24 hours.

Keep me at home if...

- I have a temperature higher than 100.4 degrees.
- I'm throwing up or have diarrhea.
- My eyes are pink and crusty.

Call the doctor if...

- I've had a temperature higher than 100.4 degrees for 2+ days or a fever combined with: ***ear pain, sore throat, rash, cough, stomachache or headache.***
- I've been throwing up or have had diarrhea for more than two days.
- I've had the sniffles for more than a week, and they aren't getting better.
- I have any uncommon symptoms such as eye swelling or a rash with blisters

If you have specific concerns regarding your child's health or are worried your child will spread illness, contact your health care provider. This guide does not take the place of county or school district health guidance regarding respiratory viruses or other contagious illnesses.

KyreneSchoolDistrict
HEALTH SERVICES

ATTENTION 5th GRADE PARENTS/GUARDIANS

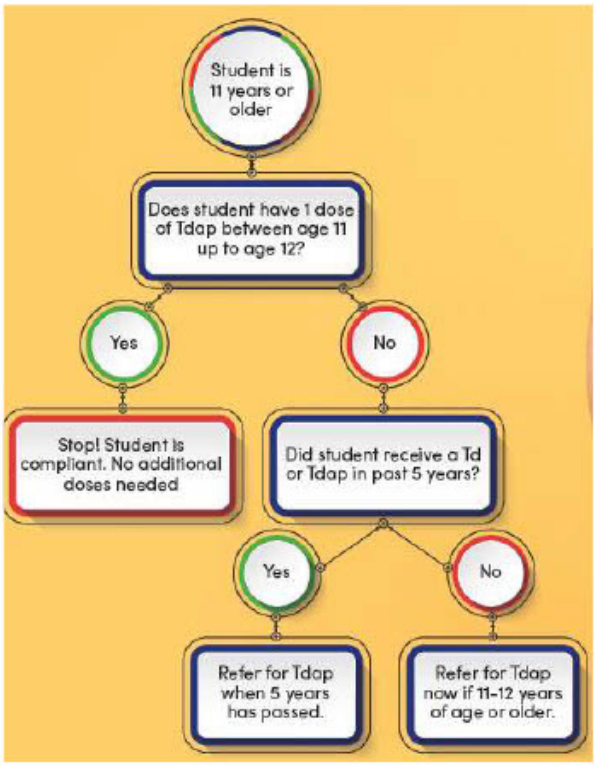

Is your child ready for 6th grade?

Are your child's vaccines up to date?

Arizona schools require Tdap and Meningoccal ACWY starting at age 11

To be compliant students are required to have **both** vaccines completed by age 12.

- 1 dose of MenACWY is required. A dose administered at 10 years of age will meet the requirement.
- A Tdap given at age 7-9 years of age does not count for the 11- 12-year-old Tdap requirement; a Tdap should be given once 5 years has passed since the last dose of tetanus-diphtheria containing vaccine was given.
- Retrospectively, if a child received a Tdap at age 10 as part of a catch-up series, or inadvertently earlier than the recommended age of 11-12, the dose may be counted as the adolescent dose and is acceptable to meet school requirements.
- See the flowchart to the left created by the AZ chapter of the AAP and ADHS.

Please review your child's immunizations with your health care provider. When your child receives the necessary immunizations bring the record to school. The record must show the child's name, date of birth, the month, day, and year that the shot(s) were given and the name of the clinic or physician that administered the vaccine.

Parent Reminders

Opt in for text communication

IMPORTANT: In the event of an emergency, text messages are the fastest and most effective way to communicate information to families. You must opt in to receive text communications! Text "Y" or "yes" to 67587 to begin receiving text messages from both your child's school and the Kyrene School District.

Birthday Celebrations

No celebrations of individual student birthdays are to be held in classrooms, on the school campus. We understand that parents and friends like to celebrate various occasions. However, cakes, cookies, cupcakes, candy, flowers, balloons, etc. cause many distractions and cannot be allowed on campus or on the bus. These items are disruptive in the classroom and are a safety concern on the bus. If they are delivered they will be kept in the office for parents/guardians to pick up. This policy helps to ensure that instructional time is protected and that all students are treated equally. **Party invitations may not be distributed at school.**

Need to Report an Absence?

Call our 24 Hour Attendance Line at 480-541-4201 to report a student absence.
Please leave a message on the attendance line indicating the student's name, grade, date(s) and reason for absence. When your student is absent and we have not received notification, we will contact the parents. If we do not receive a return phone call, the student will be marked truant. **Note** Parents MUST call the attendance line within 24 hours of an absence, even if you spoke to the Health Office or communicated to the Teacher.

Tardy

If your child is tardy, you must park in the parking lot and walk your child to the office. Sign them in and provide the reason why they are tardy. A tardy is defined as arriving at school or class **after the scheduled start time**. Students should be in their seats and ready to learn when the bell rings at the scheduled start time. **Students are considered tardy if they are not in their seats at the scheduled start time. Mirada students need to arrive with enough time to make it to their classroom by 7:30am.** Students who are tardy must enter through the school's front office and receive a Tardy pass.

Excused Absences

In cases involving prolonged illnesses, a written excuse from a physician may be requested to verify the absence. A student has an excused absence when one of the following conditions are met: When a student is not in attendance for any portion of or an entire school day and,

- The parent/guardian called the school's attendance line to report the student's absence within 24 hours and provided an acceptable excuse* for the absence, OR
- The parent/guardian was reached by the attendance office and provided the attendance office with an acceptable excuse* for the absence.

***Please note: we cannot excuse an absence that is reported via email; all absences must be reported to the school's attendance office via a telephone call.**

Unexcused Absences

A student has an unexcused absence under and of the following conditions:

- When a student is not in attendance for any portion of or for an entire day and does not have an acceptable excuse*.
- The parent/guardian has not called the school's attendance office to report the student's absence and provide an acceptable excuse* within 24 hours.
- The parent/guardian cannot be reached by the attendance office to obtain an acceptable excuse* for the absence.

*The District will report all student absences and tardiness to school in accordance with A.R.S.§ 15-901 (A)(1) and defined by the Arizona Department of Education.

Students and Electronic Devices

Many parents choose to have their child carry a cellular telephone or other electronic devices (such as an Apple watch or Fitbit) as a means of before and/or after school communication and for safety purposes. Electronic devices can be disruptive in an educational environment, but may also be used to enhance instruction. If parents have decided that it's necessary for a child to carry a cell phone or electronic device, parents and students must be aware of the following:

Kyrene School District Policy 3-401 states that the District does not assume responsibility for the loss of, or damage to, personal property. If your child has a cell phone on campus or on the bus and it is damaged or stolen, we will not be able to utilize administrative time to investigate the incident, nor will the District be able to take any financial responsibility for the cell phone or cell phone charges.

Cellular phones must be turned off and kept in backpacks at all times on campus, except for prior to the ringing of the first bell for the start of the instructional day and after the ringing of the last bell for the end of the instructional day.

This exception does not apply if the student is on the school bus. When appropriate, cell phones and other electronic devices may be used during the school day under the direct supervision of the teacher. If these rules are not followed, the cell phone may be confiscated and kept in the front office for pick up after school.

Please assist us in keeping our learning environment free from distractions. When it is necessary for a student to contact you during the day, we have telephones available in classrooms and in the office. If it is necessary for you to get an important message to your child during the school day, you may contact the school office and our staff will relay the message to your child.
