

Liberty Curtin Elementary

Keystone Central School District

Message From the Principal

Dear Liberty-Curtin Families,

Spring is in full swing, and our One Team, One Dream initiative continues to bring our school communities together in meaningful ways! This month, we are excited to focus on Paws for a Cause, with activities centered around supporting the Clinton County

SPCA. We are kicking off the month with a special visit from the SPCA, to inspire our students to engage in acts of kindness for animals in need. Liberty-Curtin students will be collecting and donating essential items to the SPCA, while Woodward students will contribute 10% of the proceeds from our Woodward Walks fundraiser to support the shelter. Additionally, students are writing pen pal letters about pets and animals, fostering creativity and compassion.

We are also proud to announce that on April 10th, six of our outstanding students—three from Liberty-Curtin and three from Woodward—will present at the school board meeting, showcasing the incredible work happening in our schools.

Thank you for your continued support in making our schools a place where students grow, give back, and thrive together.

One Team, One Dream!

Sincerely,

Brett Umbenhouer, Principal

Federal Programs Updates

All elementary schools within the district are Title I schoolwide schools and receive Title I federal funds to support the positions of Interventionist and Title I Associates. We determine how to use the funding to staff our buildings based on family input and our school data. If you are interested in becoming a part of our Title I team, please reach out to your building Interventionist or principal. Our Policy 917/918 meetings are a great place to start, because we always review our School Improvement plans and the most updated school data during those meetings.

At all school levels, we use Title IV federal funds to purchase incentives for PBIS (our positive school-wide behavior supports) rewards, and we emphasize the goal of following school rules in all schools.

Required documents for families:

Right to Request Qualifications of Teachers (see Annual Notices and Policy Review button above) - if you wish to request a paper copy, please contact jevey@kcsd.k12.pa.us .

Note: If your child is taught for four or more weeks by a teacher who is instructing in a content area for which they are not currently certified, the district must notify you. Four-week notification letters will be added here if that becomes necessary.

Non-Discrimination Statement (see Annual Notices and Policy Review button above) - if you wish to request a paper copy, please contact jevey@kcsd.k12.pa.us.

Math: Learning Together at Home

Math is everywhere! When you measure an ingredient for a recipe, tell time, pay a bill, or look at the daily temperature, you are using math. These activities offer ideas on how to make math fun at home and start building some math skills that kids will use as they get older. [Click to learn more!](#)

Translation Services

If you would like to be connected with a translator or interpreter please reach out to your child's teacher or the school guidance counselor. The accessibility features in the top right corner of this Smore allow you to translate this page.

ATTENDANCE MATTERS

We're so excited to have our schools filled with students and teachers where we can all grow and learn together!

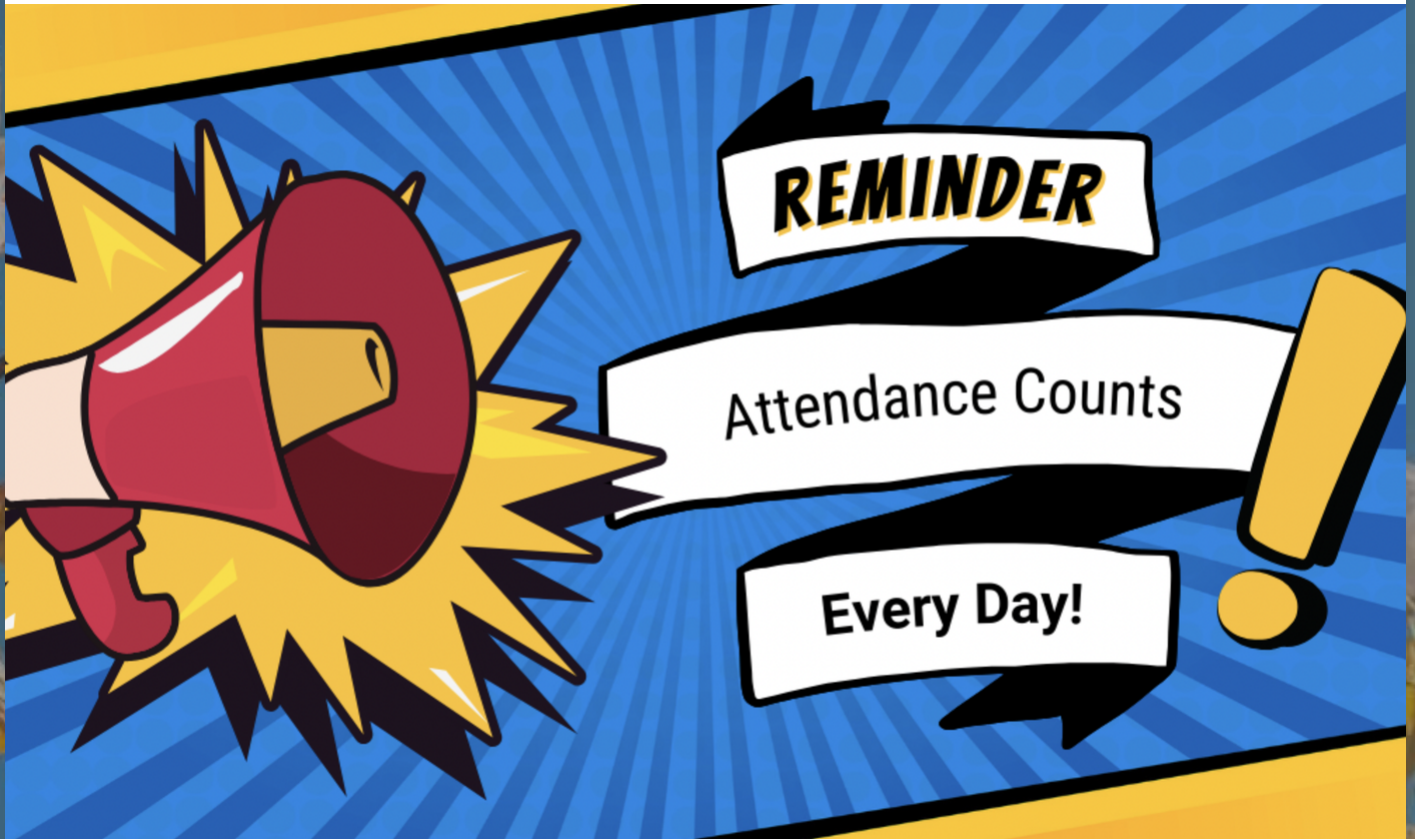

There is so much awesomeness that can be achieved when we're present at school. If something is getting in the way of your student coming to school, please reach out to your student's teacher, school counselor, district social worker, or school nurse. We want to make sure that your student is receiving whatever supports necessary to help them be successful.

REMINDER: As we start a new school year, excuses need to be turned in within 3 days of an absence. Use your school's attendance email to make sure that the excuse notes get turned in on time.
