Superintendent Spring Message

As we welcome the arrival of spring, I want to take a moment to express my gratitude for your dedication, hard work, and commitment to learning and growth. This school year has been filled with achievements, challenges, and countless moments of perseverance, and you all deserve a well-earned break.

Spring break is a time to rest, recharge, and spend quality moments with family and friends. Whether you are traveling, enjoying the outdoors, or simply taking time to relax, I hope this break brings you joy, renewal, and inspiration for the remainder of the school year.

Please take care of yourselves, stay safe, and return refreshed for the remainder of the school year. I look forward to finishing this year strong, together!

Buckeye Valley has always been a place where we work together to support our students with high-energy, wonderful engagement, and impactful lessons. I have no doubt that the remaining quarter of our school year will be more of the same!

Thank you for being an essential part of our school community. Wishing you all a very happy, healthy, and enjoyable spring break!
