Accessing Forms from the Parent Portal (Mobile App Version)

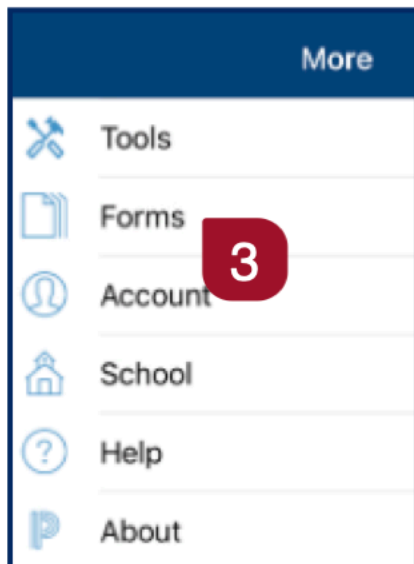

1 In the PowerSchool app, select a **student** from the upper right corner.

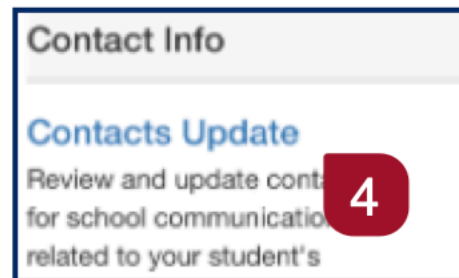

2 From the bottom menu bar, tap on **More**.

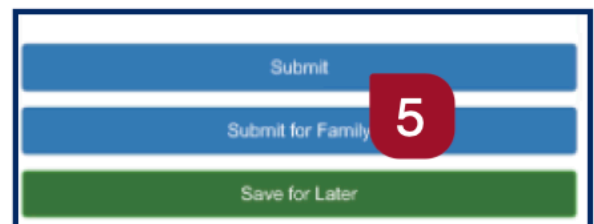

3 Tap on **Forms**.

4 Tap on the **form** you wish to complete.

5 Be sure to click the **Submit** button for each form you fill out!

Submit for Family 

Some forms can be submitted for all students associated with your parent account! Look for this family icon at the bottom of any form that allows one submission for all of your students.
