English as a Second Language

Students who are identified as Multilingual Learners are scheduled in ESL classes, where students can strengthen and develop their English language skills.

ESL replaces the English classes and counts toward the 20 English credits required for graduation

Students are screened for eligibility upon enrollment in the Ewing Public Schools

Exit from the program is based on requirements from the state of New Jersey

Clubs and Extracurriculars

Ewing's Voice (all grades)

Students with an interest in journalism are invited to participate in writing for the school newspaper. Students who enroll in Journalism class assume the responsibility of writing, publishing, formatting, and distributing the school newspaper.

Frescoes (all grades)

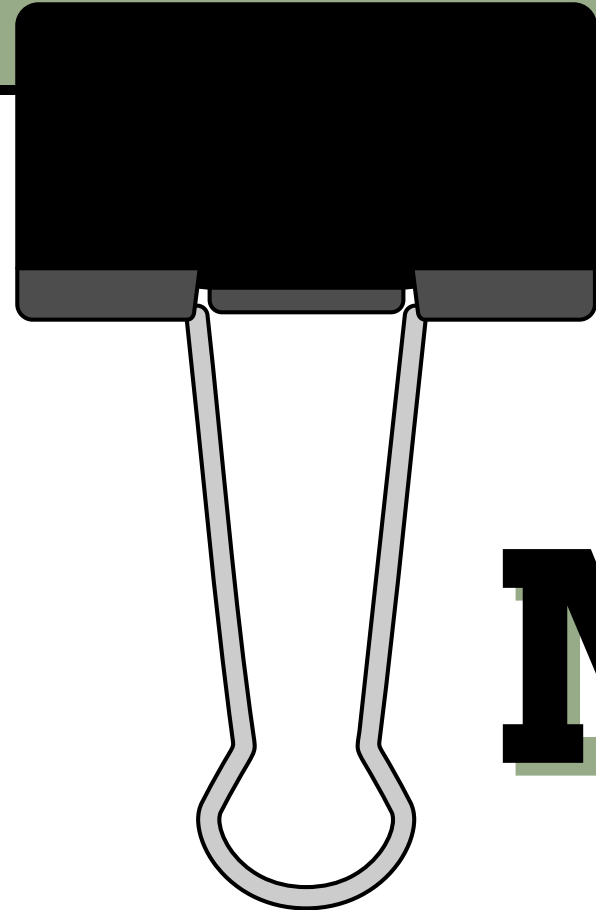

Students are encouraged to contribute short stories, poetry and essays to the Ewing High School art and literary magazine. The Frescoes magazine is published at the end of the school year.

Drama Club (all grades)

Students with a flair for the dramatic are encouraged to participate in the Drama Club. Students organize and act in Haunted Halls, write and perform for coffee house chats, and plan for and present the spring musical. Participation in the Drama Club may include students interested in acting, but those interested in set or costume design or stage management will also enjoy the activities of Drama Club.

New Jersey Future Educators Association (all grades)

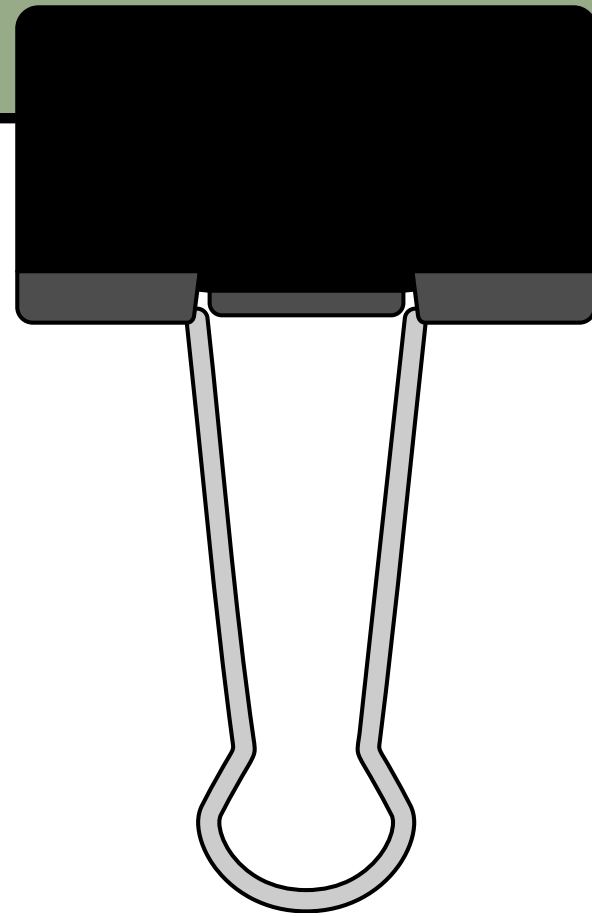

This club is for students interested in pursuing a career in education. Those enrolled in the Tomorrow's Teachers course are automatically members of this group. Anyone else thinking about becoming a teacher, counselor, principal, or any of the other professionals associated with education are welcome to join.
