

YONDR

PHONE-FREE SCHOOLS

PHONE-FREE SCHOOLS FEEL DIFFERENT

Classrooms are focused. Students are less anxious. The cafeteria is loud and lively. Without the constant inundation of technology, kids can be kids again.

YONDR SHIELDS STUDENTS FROM THE NEGATIVE EFFECTS OF CELL PHONE USE:

ANXIETY AND DEPRESSION • SOCIAL ALIENATION • BEHAVIORAL ISSUES • CYBER BULLYING • POOR ACADEMIC PERFORMANCE

10 YEARS OF PHONE-FREE SCHOOLS

Yondr pioneered the concept of phone-free schools in 2014. Our team has developed the products and guidance to help schools create engaging, phone-free learning environments from arrival to dismissal.

YONDR SCHOOL SURVEY

86%

Saw positive impact on student safety and wellness

84%

Saw positive change in student engagement

72%

Saw positive change in student behavior

“

The schoolyard is buzzing with dialogue-rich student interaction and, quite significantly, eye contact between peers.

”

—Jason L, School Principal

SCHOOL-WIDE, PHONE-FREE FOCUS

The button-lock pouch and magnet design allow students to maintain ownership of their phones without distraction. This all-day approach alleviates administration and staff from the responsibility, time, and liability of collecting and storing phones.

The Yondr Program creates an environment for students to thrive without distractions.
