

COMPETITIVE ATHLETICS – EC 221.9:

Commencing with the 2015-2016 school year and every year thereafter, each public elementary and secondary school, including each charter school, that offers competitive athletics, shall publicly make available at the end of the school year all of the following information:

1. The total enrollment of the school, classified by gender.
2. The number of pupils enrolled at the school who participate in competitive athletics, classified by gender.
3. The number of boys' and girls' teams, classified by sport and by competition level.

Schools shall make the information identified above publicly available by posting it on the school's website. If the school does not maintain its own website, the school can submit the information to its school district or charter operator to have the information posted on the district's or operator's website; the information shall be disaggregated by school site. "Competitive athletics" means sports where the activity has coaches, a governing organization, and practices, and competes during a defined season, and has competition as its primary goal.
