REPORT SUSPICIOUS ACTIVITY

The safety and well-being of our students and staff is our top priority, but we need your help:

- Remind your child that if they see or hear something suspicious or concerning, they should report it immediately to a family member, school staff and/or law enforcement.
- Should you or your child become aware of a potential problem after school hours, please contact the Frederick County Sheriff's Office at 540-662-6162. Anonymous reports are always accepted.
- If you believe there is an emergency, please dial 911.
- Do not perpetuate rumors or gossip through social media.
- Diligently check your child's backpack and other belongings to help ensure they don't bring dangerous instruments or look-alikes on school property, on school vehicles, or to school-sponsored activities on or off school property.
