

Wellsville Elementary

School Community Council Minutes

January 9, 2025

In Attendance: Jonathan Marchant, Kaylin Crum, Brooke Brandt, Alyse Woodbury, Glen Harris

1. Approve October Minutes Kalyin made the motion to approve the minutes
Alyse 2nd the motion
All voted in favor to approve the minutes
2. Review current Trustlands Budget. Update on purchases Reviewed both the Trustlands plan and the TSSA plan. For both the big expenditures have been taken care of except for para-pro's and that of course will be spent down during the course of the year. The technology expenditure for both was we just received new teacher computers. A question was brought up about how the Constitution vote in the fall will affect us. It should means that we will be getting more money per student.
3. Digital Citizenship report-Aleisa Arnold Aleisa reviewed what she will be teaching students for digital citizenship. Mostly that will occur after we have our internet safety assembly in February. We also reviewed the district's handout on what they are doing for internet safety and what that looks like in our classrooms.
4. Internet Safety Assembly has been scheduled for February 20 . There will be 2 assemblies, K-2 (25 minutes), 3-6 (35 minutes) Discussed what that will look like.
5. Review and approve Rules of Order and Procedure After a review of the Rules of Order and Procedure Jonathan made a motion to approve them. Brooke seconded the motion. All approved.
6. School Safety Report Reviewed what has occurred since the last safety grant. We're still waiting on our intercom system being replaced. We talked about what that would look like. Being able to communicate between the office and the classrooms without the use of the phone is a big thing for us. Also being able to set the bell schedule on our own. We also talked about possible ideas for the next grant. One might be to add a gate to our fire lane by the car pool lane.

7. PTO Fundraiser Report **Very successful. Earned over \$20,000. PTO is looking for a second gift to the school besides field trips. It has been suggested that we add some musical instruments for our music classes. Added success attributed to being able to donate online and we also had more business donations. PTO did a great job.**
8. PTO Evening of the Arts Nov. 14 report **PTO felt like they had good participation. It was on a Thursday night, so we left the projections up in the gym for Friday (no preps) for classes to come through and view them.**
9. Science Fair Parent meeting tonight/StemFest on Jan. 22 **We have 8 community groups signed up to do hands-on activities for the kids. As a school we might do 1 or 2. That will be the most stations that we've had before if they all show up. Then of course the science fair projects will be on display.**
10. PTO Musical practices underway **We've got a good group of kids working hard. Musical Performance will be March 7, 8.**
11. Review School goals. Choose 3 or 4 that would be most appropriate for School Trustlands Plan. These goals also depend on what we would like to use the money for. **Handed out and reviewed.**

Suggested Items (The projection is that we will receive \$74000)

- Para-Pro's for Tier II Reading/Instruction/Writing/Lunchbunch (~\$54,000)
- Technology (\$15,000) To replace chromeboxes in the computer lab as to our technology rotation
- NetSmartz assembly \$600
- Technology Support (\$ with anything we have left over or can adjust from salaries)

12. Review Calendar **STEMfest up next, Jan. 22.**

Alyse motioned to close the meeting.

Jonathan 2nd the motion.

All approved to close the meeting.

Next Meeting: February 13
